Acton Sabres connected on this play for their second powerplay goal of the game. Brad Buchanan (out of picture) slammed the puck home while Paul Henderson (in front) and Jamie Ryan assisted. The Sabres played one of their better contests in recent weeks but were unable to top the Chevys, falling 6-4. The Sabres are at home on Friday night at Thornhill. Game time is 8:30 p.m.

Sabres streak extended

The Acton Sabres suffered their 14th and 15th straight loss in Central Ontario Junior 'B' play last week. Despite the losses, 12-2 to Streetsville and 6-4 to Brampton the Sabres seem to be picking up some of their early season style as they are nearing the end of the schedule.

The Sabres could not play what was considered 'good hockey' over the first 30 minutes in their Streetsville match as they were outplayed in the first half of the contest. The Sabres only three markers. "The last four or five goals were an account of our aggressiveness" said Campbell. "They were a result of our hustle to get back in the game."

It turned out that was to be the last game for Sabres leading scorer Jeff Shields as differences between him and the management have called an end to his season. Shields scored the first Sabre goal in the contest

to give him 14 on the year along with 34 assists. The Sabres continued their fine play as they hosted the Brampton Logans' Chevys at the Community Centre. The Sabres scored first as Drew Gareau beat Greg Leaver in the Brampton net with a powerplay marker with help from Glenn Murray and Denis Charbonneau.

Brampton tied the game three minutes later and then took the lead with only 1:25 remaining in the frame as Paul Ripka scored his first of three.

Ripka's second goal, early in the second period put the Chevys up by two but Neil Anderson found the range from Mark Schinkel and Jamie Ryan to pull the Sabres to within one.

The Sabres tied the contest on a powerplay marker, their second of the game, as Brad Buchanan scored from Ryan and Paul Henderson.

Brampton regained the lead early in the final frame as Ripka completed his hattrick. The Sabres again fought back and gained the equalizer with 12 minutes to play as Glenn Murray scored

Tourney and league play tough on In-n-Out midgets

Ed's In-n-Out Midgets found the competition tough in league and tournament play last week as they dropped two games in the Pickering Village tournament and managed only a tie in two league outings.

The midgets dropped decisions 7-2 to Port Hope and 6-1 to Fort Perry in the Pickering weekend tourney. In their first round game, the midgets held on to a slim 2-1 lead in the contest but Port Hope came alive, scoring six in the last eight minutes.

Port Hope opened the scoring in the second period but Acton came back with goals from Gary Lumbers and Todd McIntyre to take the lead. Randy Smith and Roger Evans earned assists.

In the second round match up the In-n-outers managed their lone goal with only 2:07 remaining as Todd McIntyre found the net from Ray Meuller.

In Waterloo-Wellington league play the midgets managed only a 5-5 tie with Elora. In another game Hespeler edged the locals 6-5.

Derek Hodgson led the Acton scoring attack with two goals in the Elora contest. Murray McNabb, Jim Trowbridge and Roger Evans added singles.

Randy Smith, Murray McNabb and Todd McIntyre picked up assists

as the midgets allowed Elora two goals in the last five minutes for the tie.

Denis Kirton was the big shooter for the In-n-outers in the Hespeler contest with a pair of goals. Dave Lawson, Scott Timbers and Derek Hodgson were credited with single helpers.

Hodgson added singles. Gary Lumbers was the playmaker of the game with two assists. Scott Timbers, Jim Trowbridge, Randy Smith, Bill Curry, Ray Meuller and Derek Hodgson were credited with single helpers.

Safety at work ... everywhere!

Mr. Buildall

...has great plans for you

Just ask

Great do-it-yourself projects start with great plans. Just ask Mr. Buildall. He has lots of great plans for all kinds of projects, from building an entire room to hanging a door. They are easy-to-follow plans that will take you from start to finish with ease and economy. If your project needs some custom designing, Mr. Buildall can help you on-the-spot. Next time you visit Buildall... just ask!

Zero Clearance

...the fireplace that's efficient, functional, beautiful...and goes practically anywhere!

Enjoy the cozy warmth and charm of this fireplace located in your home, apartment or cottage. It's a real wood-burning, heat producing, built-in fireplace that can be installed at less than half the cost of a masonry fireplace. Installation is easier than you think. Frame it in directly on wood floors. No special supports needed. Our Zero Clearance Fireplace comes complete with refractory base and firebrick back, side walls, high temperature insulation, firecrack and damper. The facing material can be whatever you choose to complement the fashion theme for your home. No more worries about extra support and the need to rip out the surrounding walls. That's all taken care of in the fireplace!

Fiberglas Insulation

Doing it yourself will save you money now. Fiberglas insulation is so light-weight, and easy to use. Never insulated before? Let Mr. Buildall tell you how easy it is. Don't let fuel costs get the better of you this winter. Stay on top of things with do-it-yourself Fiberglas insulation, from Buildall. A one-time job with permanent fuel savings and home comfort benefits. Merely install the insulation bats between studs or joists. Friction holds them snugly in place. A depth of 6" is recommended for effective attic insulation protection. Ask Mr. Buildall to help you choose a Friction Fit insulation thickness that is best suited to your specific needs.

R Factor "R" measures the ability of an insulating material to resist the transmission of heat or cold. The higher the R-factor the greater the material's ability to insulate.
