Lions lose Dodds and Hespeler match

Acton Lions Major Pee-wees are finding the going is getting tough as they battle for top spot in their Waterloo-Wellington league.
The Lions dropped their fourth game of the season in Hespeler, 4-0, last week leaving them one point behind the Hespeler squad with one game in hand.
In other action the Lions edged a pesky Elora club 3-2 with a last minute goal.
The 4-0 loss in Hespeler was not the only loss for Lions coach Barry Inscow and his pee-wee pucksters. The loss of Rick Dodds with a broken collar bone will hamper the team's bid for first place, but Inscow feels the rest of the 15 boy roster can fill the void created by Dodds' absence.
"They're a good hockey club to have!" said Inscow. "The loss of one or two players, even one of Dodds' calibre, just means the rest of the boys will have to give a little extra."
Inscow is looking at the fact that Dodds will be out for the rest of the regular season differently, "I lost a fine competitor," he said, "but I gained an assistant coach on the bench."
A hot Elora goalkeeper almost set the Lions down for the second time in as many days as the Lions had trouble finding the net.
Brad MacPherson moved back to the defense line in place of the injured Dodds for this game with Troy McNought moving into the forward position vacated by MacPherson.
Acton took a 2-0 lead in the first period and Jim Richard found the range to beat Gary-Lee Robins in the Elora cage.
Elora came back to tie the game as Terry West found the mark on two separate occasions.
Bruce Canary gave Acton the win with a little more than a minute remaining as he found the net from Paul Cargill.

Last minute marker wins

Acton Hockey Moms' minor seconds scored with 21 seconds remaining in the game as they recorded their first ever win over Hespeler, a 3-2 "barnburner" according to manager Richard Kilpatrick.
In other action, the locals had little trouble in topping Elora by a 9-1 count.
The Hespeler game was close throughout the contest as Acton managed to take a one goal lead on three separate occasions.
The first goal of the contest came off the stick of Peter Cargill with only 5:32 remaining in the contest.
From then on the teams exchanged goals at a speedy pace.
Hespeler tied the contest only a minute after Cargill had given Acton the lead.
Tom Atherton was the sharpshooter for the atoms in the opening frame as he netted all three markers. Toth Hill assisted on the first two while Sean Fitzgerald and Chris Rogers helped on the third.
David Haynes put Acton up by four with help from Chris Rogers before Troy Nolan had his shut-out lifted as Jason Jones found the net for Elora.
Acton continued their romp with a pair of goals from Gord Taillefer and singles by Sean Fitzgerald, Doug McKnight and Chris Rogers.

Oldtimers Midgets drop pair in tournament play

The game between the National Hockey League Oldtimers and the Acton Non-contact Tigers is fast approaching.
The game is slated to go January 26 at 8:30 p.m. at the Acton Community Centre.
The Oldtimers will bring with them such players as Bob Braun, Andy Bathgate, Cal Gardiner, Norm Ullman and Brian MacFarlane.
Tickets for the game are available from any of the Tiger players or J and T Sports.
The Redmen played their first game of the tournament on Friday night losing a close 47-45 decision to St. Jerome of Kitchener.

The next morning the Redmen were on the courts again against London Central. The Redmen held the lead in that contest until four London Central points in the last minute produced an Acton loss.

Midgets drop pair in tournament play

Acton Midget Redmen found the competition a bit tougher at a tournament in London on the weekend.
The Redmen, who have had little trouble winning basketball games in pre-season, found what high school gym teacher Rick McArthur considered 'some of the best teams in Ontario'.

If your family income is less than \$18 000 per year (that's the net income of both husband and wife) you will qualify for the full \$200 for each eligible child. If your family income is more than \$18 000 you may still qualify for a total or partial payment, depending on the number of children.
The application form for the new federal Child Tax Credit is enclosed with your

January family allowances cheque. Read the instructions carefully then fill in the form and send it along with your completed 1978 Income Tax Return and your statement of Family Allowances.

ATTENTION
If you need help, your nearest Health and Welfare or Revenue Canada Taxation office is there to assist you. Some private firms can also assist, but charges for tax discounting services can be as high as 15%. Try not to use them.
