Firefighters advance with series sweep

Acton Bantam Firefighters made an early advance to the second round of their Ontario Minor Hockey Association play-offs by ousting Fergus in two straight games in their best of three series. The bantams showed Fergus that they would by no means be upset in an early round as they scored an 8-1 win in the first game of the series. They took the second game of the series 6-4 in Fergus. Andy Vaivods scored from Tony Sheppard at the 47 second mark to give Acton an early lead in the first game. Fergus came back to tie the score a minute later before goaltender Bruce Shannon shut the board on any more Fergus scoring chances. Tim Evans' goal with just under two minutes remaining in the opening frame gave the Firefighters a lead they would never again relinquish. Mark Duval assisted. Evans extended the lead in the early stages of the second frame and Gord McArthur added to that lead a short time later with help from Duval and goaltender Shannon. Duval and McArthur both added goals to give the bantams a 6-1 lead heading into the final frame. Gord McArthur completed the hat trick over the final ten minutes while Rob Vermeulen added his first of the series.
