

Family picnic attracts 425

Sunday's bitter cold weather did not discourage anyone from attending what is hoped to be the first annual Legion Winter Family picnic.

According to organizer John Goy Sr., over 425 people took part in the many activities offered. There were snowmobile rides, cross country ski trails, skating, sleigh rides with Bert Robertson's horses, and a huge bon-fire to help keep everyone's minds off the sub zero temperatures. Mr. Goy noted the thermometer failed to get past the zero fahrenheit mark.

A blazing fire in the Legion lounge also warmed up cold toes and hands.

Later in the afternoon there were numerous dances and games for young and old alike in the building. Clowns also paid a visit. A fried chicken dinner cooked by the Legion Ladies Auxiliary filled everyone's empty stomachs. Mugs of hot chocolate worked as an appetizer-warmer-upper for all ages also.

The picnic is a direct result of the success of the annual summer picnics. Legion members felt the happy time should be extended to the winter months, and combined with a carnival. Sunday's event was a huge success.

Wee Ryan Ridley doesn't look like he is enjoying his skating lesson at the Legion family picnic Sunday afternoon. Mom and Dad, Anne and Randy Ridley, helped "drag" the little gaffer around. Is this how Bobby Orr started out?

Dave Lewis warmed his hands over a huge open bonfire Sunday at the Legion family picnic. The fire helped some keep going as the mercury struggled to rise to zero fahrenheit.

N. Elliott chairman

Norm Elliott, of Acton, Wednesday evening volunteered for the position of chairman of the policy committee on the Halton Hills library board.

Other members of the committee are Grant Pattullo, Ruth McMurray and Carol Wilson, with mayor Pete Pomeroy floating between that committee and the finance committee.

Mr. Elliott is vice chairman of the board.

Official word has finally been received from the town of Mr. Elliott's reappointment.

Call tenders on building

Tenders are now being called for the construction of a Swine Research Centre at the Arkel Research Station, west of Eden Mills.

A Ministry of Agriculture and Food project, the new centre will contain two buildings with approximately 58,000 square feet in total floor space, which will provide modern and expanded

facilities for the year round use of staff conducting swine and agricultural engineering research programs at the Station.

The construction of a specially equipped swine research building, engineering research building and manure storage and treatment structures are specified for the project.

Ladies and Gentlemen. Please take a seat.

Or better yet, endow a seat and leave it with us in New Massey Hall. We'll take care of it for you, forever. And for years to come, the world will see it when they come to see and hear every conceivable kind of music: classical, jazz, country western, rock, you name it, it will be there.

Now, in order that the world may distinguish your seat from the others, we will place your name on it where it will remain forever and a day, or as the lawyers say, in perpetuity.

New Massey Hall will cost thirty-four million dollars, but it will be a triumph of architectural and acoustic design and possibly the best structure of its kind in the whole, wide world.

Despite, or perhaps, because of its cost, you can be an important part of New Massey Hall. Simply contribute \$1,000 or more, (or if you prefer, pledge \$200 a year for five years) and your name will be inscribed on one of the seats for as long as New Massey Hall stands. And your contribution is tax deductible, which is a very affordable way to buy a little immortality for your name. If you prefer, you can honour someone else: an individual, a married couple, a family, a specific group, a volunteer organization or association. You tell us.

Most solicitations for funds ask you to have a heart. New Massey Hall asks you to have a seat. With your name on it.
