Neelands will continue as Chairman of the Board and Eric J. Brown, President, will assume the responsibility of Chief Executive Officer.

**Sorority enjoys meetings**

The first meeting of 1979 for Xi Delta Beta was held January 2 at the home of Mary Ellen Bridge. The program "Education" was presented by Bev Wheatcroft and Marilyn Pickett, who instructed the members in the art of disco exercises. Members learned exercising can be fun when music is added and dance steps incorporated.

Co-hostess Claudette Smith later assisted Mary Ellen to serve refreshments.

Claudette Smith hosted the January 16 meeting, co-hosted by Bev Wheatcroft. Claudette introduced guest speaker, Marlene Avery from Project Operation Action, who spoke on her group's aim to promote physical fitness in Halton County. Marlene asked members to participate in a few exercises to help determine our strength, stamina and co-ordination. She concluded her program with a question and answer period and passed out pamphlets on diet and physical fitness.

Despite the stormy weather members and husband gathered at the home of Claudette Smith January 13 for a social evening with a hobo theme. An informal supper of beef stew warmed everyone up for a lively evening of fund and games. Prize winners for the best costumes were Barry and June Campbell.

**What is the best age to start at Bishop's?**

Bishop's is an independent boarding school for boys and girls with a balanced program designed to benefit any student from Grade 7 to Grade 12. However, those who enter at Grade 7 and remain with us for their entire high school education gain the greatest possible benefit and far from being "too young", react extremely positively to our stimulating environment.

**Our academic program** is designed to make learning and discovering an exciting, stimulating process. Boys and girls, studying

together, work in small classes, where questioning and constant teacher-student dialogue is encouraged. The result is that we have an outstanding record of senior class students accepted by the university of their choice.

Another advantage is that our compulsory French program is of a calibre enabling a child with initiative to leave BCS bilingual.

**Our athletic program**

In some schools, students are denied the chance to enjoy sports unless they are very good. At Bishop's, our compulsory sports program, that includes soccer, football, hockey, skiing, tennis, track and field and rugby, gives every student the opportunity to develop leadership potential and a sense of responsibility.

**Our activities program**

Choir, drama, photography, debating, astronomy, and cadet courses like hunter safety, driver education and outdoor survival, all help develop the student's awareness of doing, discovering and participating. Attendance at special productions in local theatres and regular social gatherings are additional features of our program.

Our 450-acre campus, in the town of Lennoxville, is about 90 minutes' drive from Montréal. If you would like more information, write to: John D. Cowans, M.A., Headmaster, Bishop's College School, Lennoxville, Québec J1M 1Z8. Or better still, call our Admissions Office at (819) 562-7683 and arrange to come and see us.
