

LYNNE and TOM ANNIS
 "It's great to just get away from it all... and leave the apartment and our jobs behind."

HARVEY and JANET ROWLEY
 "Mini Lakes! It's great! The kids find all kinds of interesting things to do. We've met some nice people here. We find it relaxing... a super place to unwind."

BILL and JOANNE MARSHALL
 "We found it the finest camping facility in Ontario. Our permanent campsite is one of the best investments we have ever made."

JEAN and THEAROLD WETHERELT
 "It's our home away from home. We now have the time to take full advantage of everything that Mini Lakes has to offer. We love it!"

FRANK and GAIL TUCHOWSKI
 "What a relief from regular camping... all that monotonous driving... and then being turned away because they're filled... this is paradise!"

Why did 100 families choose the Mini Lakes concept the first year?
