

# Why 100 families choose Mini Lakes concept first year?

They had a hunch that paid off and like scores of lucky families, discovered Mini Lakes Country Club Trailer Resort... a private family campground.

Invest in a new, year round camping experience... it makes the usual kind of camping almost obsolete. Each lot is beautifully treed and fully serviced and includes a membership to a 70 acre parkland and clubhouse.

Four quiet mini lakes provide a safe swimming area with a beach for your children and are ideal for canoeing, sailing and fishing.

The clubhouse features an indoor pool, arcade and sauna. Its spacious lower level lounge easily accommodates 200 people and is the

centre of activity for resident get-togethers. The clubhouse sun deck overlooks two excellent tennis courts and is equipped with an outdoor barbecue and open fireplace.

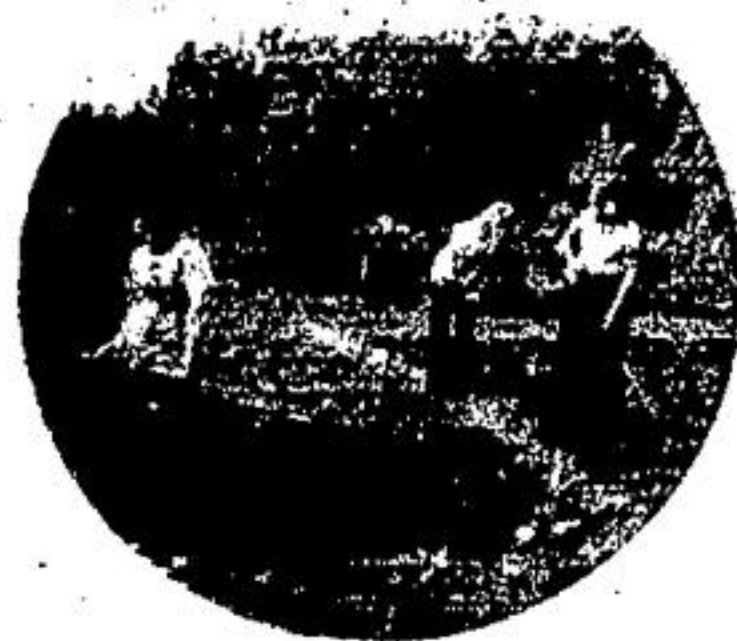

Relax in a lazy, hazy Mini Lakes summer or for the hiking buffs, explore the surrounding woodland. The winter bluffs disappear at Mini Lakes... it's the time to cross-country ski, snow-shoe, snowmobile or just walk in a winter wonderland.

Paved roads throughout the park make easy access to trailer sites and double as great bicycling and jogging tracks.

Most occupied sites display the touch of a talented flower gardener and each site includes an adequate garden plot.

A controlled entry gate at the main entrance ensures maximum security for Mini Lake residents.

A creative playground and animal petting farm are a young child's

delight... those seeking more competitive sport can participate in baseball tournaments. Dad will be pleased with a nine-hole golf course just minutes away at Aberfoyle Country Club.

Exclusive Mini Lakes Country Club is a short three-quarter-hour drive from Toronto... just 7 miles from Guelph off Highway 401... located in the picturesque countryside of Aberfoyle.

Convenience facilities include a grocery store, snack bar, resident laundry, clubhouse and paved roads.

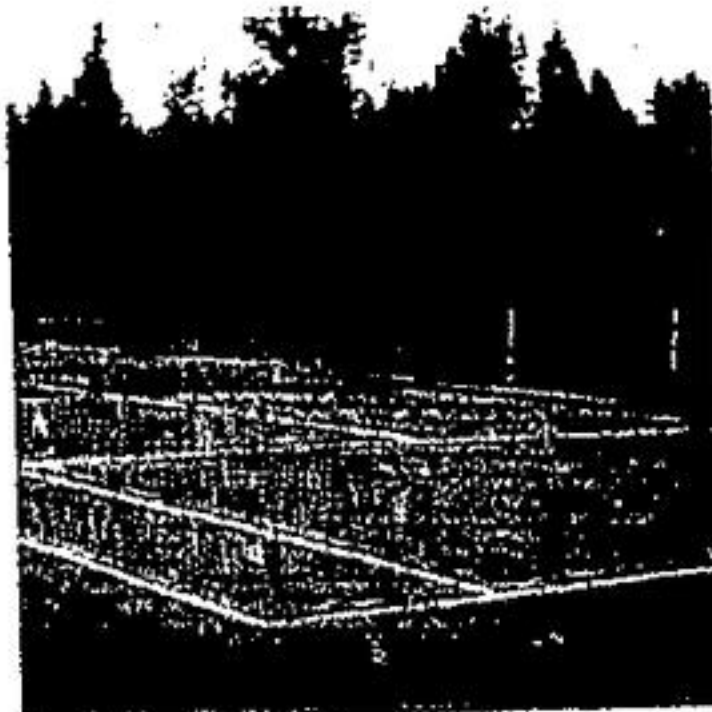

Many points of interest are in the immediate area... Aberfoyle with antique shops and original Flea Market... the Aberfoyle Mill for excellent cuisine and Canadiana boutique... harness racing at Mohawk Raceway... and the African Lion Safari and Game Farm.

It's Mini Lakes Country Club for the best in private family camping. Come see us soon.
