DELUXE CHAMPION POLYESTER

A great bias tire! The polyester cord body gives a combination of strength and smooth ride. And the 7 rib tread design provides road hugging security and gives good wet pavement traction.

DELUXE CHAMPION SUP-R-BELT®

Our original equipment belted tire. Designed for good wet pavement traction. The double-belted construction reduces tire squirming to prolong life.

DLC RETREAD

- New full wrap around tread design
- New tire tread rubber compound for long mileage
