only

## MODERN, DEPENDABLE GARDEN EQUIPMENT

**5 H.P. 26" CUT  
RIDER  
MOWER**  
4 speed drive

**\$665<sup>95</sup>**

The noise is left behind with this sturdy rear-engine rider, that provides total all-round visibility. Clean, compact styling puts all controls within easy reach.

**5 H.P.  
CHAIN-DRIVE  
ROTARY  
TILLER**

**\$329<sup>95</sup>**

Features self-sharpening tines, sturdy, welded one piece handles designed for long use, heavy gauge dirt shields, and adjustable tilling depth from 0" to 8" with heat treated depth bar.

**8 H.P. ELECTRIC-START  
TRACTOR**

**\$1072<sup>95</sup>**

**ENGINE**—8 h.p., 4-cycle, B & S Key ignition start (18.44 Cu. In.) Includes battery & alternator-headlights.  
**TRANSMISSION**—5-speed automatic overdrive.  
**DIFFERENTIAL**—Automotive-type.  
**CUTTING WIDTH**—34" Full-floating deck; twin blades belt driven.  
**WHEELS/TIRES**—Front: 13.00"x8.00" Pneumatic Rear: 18.00"x6.50" Pneumatic.  
**BRAKES**—Disc.

These versatile lawn tractors pack a lot of performance into a classic, front engine design. There's plenty of muscle for the big "fully floating" cutting decks. Built-in quality and convenience features include extra large fully pneumatic tires, disc brakes, easy key ignition start, and spring supported, adjustable seats.

**10 H.P. ELECTRIC START  
TRACTOR**

**\$1188<sup>95</sup>**
