

Leanne Henstridge, of the Robert Little School Kindergarten showed her parents how well she could do the opposite act, during her school's open house Thursday evening.

St. Joseph's plants maple

by Susan Lidbury
This coming Sunday the grade Two's will be having first communion at St. Joseph's Church. The ceremony begins at 2 o'clock.

When the portable was put in we all felt bad that we had to cut down a young Maple tree. So we relieved our conscience by planting another young maple. This one will be cared for really well so it can grow old and tall.

The Kindergarten class has been studying turtles and insects for spring. The class has set up two greenhouses, one with paper flowers and trees made by the students and another with carrot and bean seeds to make a vegetable garden.

Seeds that were planted a few weeks ago by the students of the Grade One and Two class are now full of foliage. The grade Twos are preparing for their first communion on Sunday May 6. The students have made colorful stuffed paper tissue birds

in their Environmental Studies class.

The Grade Threes of Mrs. Graham's class are helping the Grade Twos by making scrolls for their first communion on May 6.

The Snoopy group gained the most points for good behavior in Miss Criss Class and won last week.

In Art Silhouette profiles were made by the fives and sixes of Mr. McGregale's class. In Health a section of smoking is being taken with the damage it can cause to the heart and lungs. Track and field is being prepared for in gym classes.

The unit Astronomy is being ended in science in the grade seven and eight class.

Robert Little

by Kim Arnold
Robert Little school would like to thank all the parents and friends that came to open house.

Mrs. Macdonald's class was sad to see Ricky Johnson move to Brockville. Mrs. Sheehan's class was also sad to see Danny McIntosh move to Glen Williams.

Members of the choir are practicing very hard for the Festival.

Mrs. Black's class is learning new songs and games on the farm, and farm animals.

The winners of the science fair are: Laura Leslie, Brenda Bosert and David Vacek.

Kenny Norton was on hand at the M.Z. Bennett school open house Thursday evening to show off his Morse Code apparatus.

Cars in collision

A two-car collision on Main Street resulted in \$1,750 in property damage Saturday afternoon.

Halton Regional Police estimate damage on the car driven by Sandra Bossett, of Hamilton, to be \$1,000. The mishap took place a few yards north of Elizabeth Dr.

Damage to the other vehicle, driven by Peter Leader, R.R. 7 Guelph, is about \$750, says police.

St. Joseph Separate School's tree planting team included Dave Harison with the shovel, Patricia Reynolds and Tommy Roach holding some turf, Steven Harkins on watering detail and Paula Gunn with Rose Mercuri supporting the maple. Principal Sean Briggs supervised. Many pupils watched the brief ceremony.

Speyside

by Tim Pollen and Ronny Teggart
Last Wednesday's open house at the school was successful.

Over 100 parents showed up to watch their children involved in school activities such as math, language and social science. There were also extra activities going on in the gym including disco dancing, gymnastics, handball and floor hockey. Some of the grade five and six students presented a play in the library entitled "Out of the Blue".

Floor hockey ended last week with the Bruins capturing the championship by eliminating the Canadiens three straight.

The interhouse teams have chosen their racing cars for the Grand Prix. The first car to reach the finish line will be the winner. In order to move the car, you must gain points by having correct punctuation, spelling, capitalization, etc. in your notes. Each week, the teachers will check one row for these points.

Our school newspaper staff has collected its articles for printing and the paper will be available within the next two weeks.

The school track team has been meeting every night after school. A track meet was held yesterday at the high school. Our own school will be involved in a track meet on Tuesday, May

\$317 to Summerfest

Halton Hills Arts Council will again have the assistance of the town work force in their June 2 Summerfest, this year to be held at Acton high school.

15. The Halton finals will take place on June 5.

We are just beginning our new interhouse softball schedule. Mr. Boycott and Mr. Roche have decided to play class against class instead of color house against color house. The grade sixes will play each other, the grade sevens against each other and the grade eights will play each other. School softball tryouts have also begun.

Leukemia

Today we can help extend the lives of leukemia patients. Tomorrow we may be able to cure them. The future depends on

research. The Canadian Cancer Society is the prime source of funds for cancer research in Canada. Support the Society's annual campaign in April. It's up to you.

If you can provide new jobs for Ontario's Youth, Ontario will help pay their salaries.

If you operate a business or farm and create new jobs between April 30 and October 21, 1979, you may apply to the Ontario Youth Employment Program for a grant of \$1.25 an hour (up to a maximum of \$50.00 a week) towards the wages of each eligible youth you hire for those jobs.

Apply early. Grant funds are limited.
If you wish to employ a young person any time during the program's duration submit your application as soon as possible. Applications are processed as they are received. Deadline date for application is July 3, 1979 or earlier, should all funds be allocated.

Eligible Employers
are those who have been actively engaged in business or farming for at least one year prior to April 30, 1979 at each Ontario business location for which grant application is made.

Eligible Employees
must be at least 15 but not yet 25 years old on April 30, 1979. They must reside and be eligible to work in Ontario. They must not be related to the employer as defined in the Ontario Youth Employment Act.

Program Duration:
The program is in effect for 25 weeks from April 30 through October 21, 1979. An employer is not required to hire a youth for the full 25-week period.

Terms of Employment:
To be eligible for funding, a position created must be in addition to regular and seasonal employment normally provided during the program period. It must provide a minimum of 25 hours of supervised employment per week for at least six weeks.

Grants:
Employers may qualify for grants for up to 150 manweeks of employment at each eligible business location. For example, if you wished to make use of the maximum grant available you could hire 10 young people for 15 weeks each, or 6 for 25 weeks each, or 15 for 10 weeks each. A approved employer will receive a grant of \$1.25 an hour up to a maximum of \$50 a week (40 hours) for each young person hired under the program.

Hiring of Employees:
Before you hire an employee under the program you must first receive written approval from the Province.

Last year the program approved 40,000 new jobs for young people throughout the province. If you think you would be eligible for funding under the program we invite you to apply.

For further information on the Ontario Youth Employment Program and application forms, please contact: Ministry of Intergovernmental Affairs, Subsidies Branch, Queen's Park, Toronto M7A 2R8. Telephone 1-800-268-7592 (toll-free). In Metro Toronto, telephone 965-0570. In Northern Ontario (Area Code 807) call Toronto collect at 965-0570. Please call between 8 a.m. and 5 p.m. Monday to Friday.

Note:
If you participated in a previous OYEP program an application form and guidelines booklet have been mailed to you.

OYEP works for all of us.

William Davis, Premier
Province of Ontario
