Acton firefighters were called into action twice on Victoria Day. A 7:20 a.m. fire at. the rear of A-B Foodland took firefighters a few minutes to extinquish. Some wood skids were burned, a wood bin damaged and the face of the building blackened. Fire Chief Mick Holmes attributed the cause to children playing with matches. Firefighters were also called out in the afternoon to a chimney fire at John Van Arragon's farm on the Third Line.

Last Thursday we held our track and field day. Most students participated and had fun. Friday, most students came to school with sore muscles and sunburns. The winning team was Green followed closely by Red then Blue. Some of the events were, long jump, triple jump, high jump, hurdles, shot put, and many races.

The Grand Prix continues with Red in first. Blue second and Green third. The rest of the culor house cars are following close behind. We urge all students to keep their work neat and correct in order to gain points for their color houses.

The classroom basegames continue.

## Youth disturbs worker

Helen Friedman, of the Halton Children's Aid Society, would like to see the youth off the streets, and doing something constructive.

In a recent visit to town, Miss Friedman, a summer student with the CAS, was shocked to see the number of teenagers "hanging out" downtown. She has spoken to various people around town in an effort to get something started for these young people, such as a drop in centre. Anyone with any ideas is asked to contact her at the CAS in Oakville.

### Speyside `

by Tim Pollen

and Ronny Teggart Last Thursday Julian Reed MPP visited Speyside to talk to the junior grades about the Federal Election. The students asked Mr. Reed a variety of questions about being a candidate and how he got interested in politics.

On Wednesday the grade sixes made a trip to Stewarttown Senior Public School to get a taste of what it would be like next year. Many students sat in on some of the classes and told us they enjoyed their visit

very much. We had a very interesting trip to the Ontario Science Centre last Friday. On the 401 we had a flat tire and we had to wait about half an hour before another bus came to pick us up. When we finally got there we saw a show on perception and looked around at the different exhibits.

Yesterday we held a mock election for the grade five and sixes. Otto Jelinek came in first with 29 votes followed by variety of small bed and Frank Philbrook with 15 and Doug Black with 13. B's Robert Ritchie had one vote and Karen Selick and Charles Shrybman had zero.

### NOTES TO 1978 FINANCIAL STATEMENTS

#### NOTE NO. 1-ACCOUNTING POLICIES

Accrual Accounting

Fixed Assets

The accrual method for reporting revenue and expenditure has been used with the exception of reporting of charges for net long-term liabilities. Principal and interest are not accrued from the due date of payment to the end of the fiscal year.

Fixed Assets are charged to current expenditure unless financed by long-term debt. Principal and interest charges on net long-term liabilities are included in expenditure in the period due.

Fixed Assets, described as capital outlay to be recovered in future years, are included on the Balance Sheet only to the extent of the balances of the related net long-term liabilities outstanding and of the related temporary financing at the end of the fiscal year. Linbillties Payable in U.S.A. Currency

Net long-term liabilities payable in U.S.A. dollars are stated at par value with Canadian dollars. The amount outstanding at December 31, 1978 is \$1,191,900.00 U.S. If the total of this liability is expressed in Canadian dollars at the exchange rate prevailing at December 31, 1978, the liability is increased by \$219,429.

Net Long-Term Liabilities Debentures are recorded as unmatured debenture debt in the year of sale.

NOTE NO. 2-RESERVE FOR WORKING FUNDS The reserve for working funds at December 31, 1978, is applicable to the elementary and secondary school operations of the Board as follows: Elementary \$300,000.00

### **AUDITORS' REPORT**

To The Supporters of The Halton Board of Education

We have examined the Consolidated Balance Sheet of the Halton Board of Education as at December 31, 1978, the Revenue Fund Statement of Operations, and the Capital Fund Statement of Operations for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as we considered necessary in the circumstances.

In our opinion, these financial statements present fairly the financial position of the Board as at December 31, 1978 and the results of its operations for the year then ended in accordance with generally accepted accounting principles for Ontario school boards applied on a basis consistent with that of the preceding year.
