

Welders snatch pair of wins, J-T suffer first setback

One for us, says Halton Hills Electric captain Stan Kruk, as he crosses home plate in the first inning to give the Electricians an early lead. Electric couldn't hold on as Van's Welding came back to record a 14-7 win.

Acton House league Peewee Division opened its schedule with two contrasting games this week. In one Rockwood and Rockmills played a closely fought game with Rockwood taking a 3-2 decision. In the other game between Newcastle and United, both teams showed early season nerves before United settled down to go onto an easy 8-1 win. Goal scorers in both games are not known.

Other games reported were in Mosquito House league, where Raiders and Rangers played to a 2-2 tie. Rangers' goals coming from Collin Lewis and Robert Splinter and Raiders goals from Stuart Hoy, and Dave Thomas. The Raiders also got good games from Steven Wagner in goal and Steve Inotai. Rockwood beat Eramosa 7-2 with goals from David Brown (3) and Chris Hughes. Don Godding, Kevin Richie and Kenny Phillips with one goal each. Although the score doesn't show it, this was a fairly close fought game with the

smaller Rockwood team finally running out winners with their better goalscoring ability.

In Atom House league play Rockwood and Leeds played to a one all tie, the goals coming from Jim Brown and Michael Iacovelli. John Hillier had a good game for Leeds.

Ajax easily overcame Eramosa with two goals from Cyril Nibbs and two from Darryl Bartlett giving them a 4-0 result. Other outstanding players for Ajax were Troy Nolan and Jeff Jackson.

Angels and Tornados played to a 1-1 tie in Squirt League with goals from Chris Graham and Michael Brower.

House League Schedule For Week of May 28

 Hamilton, Acton vs Orangeville
 May 29, Peewee, Acton vs Mississauga West
 May 29, Atom, Clarkson vs Acton
 May 31, Mosquito, Acton vs Milton

J and T Sports suffered their first setback of the Acton Industrial Softball League as previously victorious Unisal Construction handed them an 8-7 setback in one of three Monday night games.

In the other contest Family Cleaners scored five times in the first inning and then held on for a 5-1 win over Station Hotel and Van's Welding came from behind to top Halton Hills Electric 14-7.

In a game played Sunday afternoon, because of poor diamond conditions on Wednesday night Van's Welding clobbered Unisal 13-0.

Unisal 8-J and T 7
 J and T Sports had been carrying big bats over the opening three games of the industrial schedule but their bats went cold with the weather Monday as Unisal hung on over the final inning to record their first win 8-7.

The Sportsmen scored two first inning runs and added a third in the third inning before Unisal was able to get the bats swinging.

Unisal pulled to within one in the top of the fourth and then evened the count at three in the fifth.

In the sixth J and T re-

gained a brief lead as Bill Armstrong crossed the plate but three seventh inning runs put Unisal in front for the first time. The construction workers added a pair to their lead in the top of the seventh and hung on as J and T tried to rally scoring twice.

Family 5-Station 1
 Family Cleaners got another fine pitching performance by Chuck Peavoy as they topped Station Hotel 5-1.

Peavoy struck out 18 batters in the contest and hit a two run first inning homer as the Cleaners scored all five of their runs.

Station got their lone run of the contest in the seventh inning as a Jamie Morris triple brought Larry Kistner to the plate.

Van's 14-Electric 7
 Two big innings lifted Van's Welding to a win over Electric in Monday's early game.

Seven second inning runs and six eighth inning counters produced the bulk of the Welding runs as a lone tally in the third produced the 14 run total.

Electric scored once in the first inning and then three times in the second to take control of the

game only to have the big Welding third inning set the torch to their plans. Electric added a pair of runs in the seventh and another in the eighth.

Van's 13-Unisal 0
 Ken Pilgrim pitched the season's first shut-out game as Van's man-

handled Unisal Construction 13-0.

All Van's runs came in the early innings as they pounded Unisal pitcher Rick Istead. Six second inning runs and three runs in each of the third and fourth innings accounted for 12 of the Welders runs with the

other tally coming in the fifth.

Tonight (Wednesday) Halton Hills Electric meets up with Station Hotel at 8:30. On Sunday Station Hotel tangles with Unisal in a 4:30 p.m. start. At 6:30 p.m. J and T Sports will try to regain their winning form as

Splash Flashes

With the natural bodies of water getting warmer each day and more and more people are looking to outdoor activities during their leisure time, the swimming pools will be offering special programs and clinics for the general public. One of these special clinics will be on snorkeling and skin diving.

This program has been designed for the individual who has little or no experience in snorkeling and wishes to learn more. The clinic will offer instruction in use and care of equipment, what equipment to buy as well as provide pool time to practice the different skills talked about.

The clinic will be of-

fered on Tuesday, June 19 between 8 p.m. and 10 p.m. at the Georgetown pool. We ask you to bring your own equipment and bathing suit since we do not have the equipment required. If you plan on being there bring a friend and if not, send a friend.

In Acton we have a rule of the week contest during Public Swims. Half way through the public swim session Mondays, the pool is cleared and a number from the general admission tickets is called out. If the person with the proper ticket can

state the rule of the week, which is posted on the bulletin board in the hall, they will win a swim pass for one free swim. Come one and all to the public swim sessions.

Starting last Thursday we have had available at the pools flyers on an aquatic fitness program. This program has been developed for individuals who wish to train on their own. If you have done little physical exercise recently, be sure to answer all the questions on chart 2.

NOTICE TO PROPERTY OWNERS IN THE TOWN OF HALTON HILLS THE ONTARIO WEED CONTROL ACT

as it applies to persons in possession of land within the Town of Halton Hills

Unless noxious weeds are destroyed by June 18th, 1979 and as often as necessary throughout the season to prevent the ripening of their seeds and dispersal of their pollens, the Town of Halton Hills may enter private property and destroy these weeds. The costs will be charged against the property owner and collected in the manner of Municipal Taxes.

Goatsbeard, Thistles, Chicory, Poison Ivy, Ragweed, Wild Carrot, and Milkweed are among the weeds considered noxious, and must be destroyed wherever found. Complaints regarding Dandelion and Goldenrod will not be accepted as these are not considered noxious under the terms of the Weed Control Act. Anonymous complaints will not be accepted.
