Visit to synagogue on Toronto Day trip

by Winifred Smith
Forty-three ladies boarded one of Denny's Buses at the community centre on Saturday morning for their annual bus trip. The weather didn't look too good as we started off but as the day got up the weather changed and it turned out

to be an ideal day for the trip.

It was an outing which was unique in one or two ways. It was the first time we had a lady bus driver. Our destination was Toronto and on arrival, she certainly seemed to know her way around the big city. The month of May was an earlier time than usual for the trip.

The scenery was beautiful with the different shades of green on the trees. Lilacs in bloom and all the blossoms out made a spectacular sight as we drove along. The United Church Women together with the WI organized the trip. Joanne Stevenson, a UCW member with the co-operation of her husband Michael planned how the day would be spent. Eileen Brown and Grace McEnery spent much time letting everyone know all the details about the outing and made many phone calls in order that all seats on the bus would be filled.

It had been arranged that we share in the worship service of one of the largest Synagogues in North America where the Orthodox Service is the Rule. Saturday being the Jewish Sabbath, we arrived at the Synagogue at about 10:15 a.m. We were met at the entrance of the building by two ladies, who gave us a warm welcome. They told us just what to expect in the order of their service. At 10:30 the group was escorted to their seats. We observed that the men and boys occupied the seats in the centre of the building and the women and girls sat together on each side. It happened to be a

Special Sabbath and they were celebrating for three different occasions. One being Barmitzvah, one the celebration of the twelfth anniversary of Jerusalem and the other the celebration of the New Moon. We were privileged to hear the Junior choir boys sing at different intervals during the service. At the conclusion of the Worship the visitors were invited downstairs to take part in "Kiddish" Tables were laden with an assortment of tasty food and drink. As we mingled with the crowd for a social time, we thought how wonderful it was to have had this opportunity to take part in this fellowship together.

Next we were taken on a tour of part of suburban Toronto, a residential part of the city where the aristocrats live. We had a short stay at the Edwards Gardens, from there we went to a theatre and were treated to a two hour movie "Who Has Seen the Wind". It was most enjoyable. Reservations had been made at "Old Ed's" for dinner. It was a delicious meal. We then found our way to the bus and we were homeward bound. Willa Shortill on behalf of those present said a vote of thanks was in order for all those responsible for this most enjoyable outing. A special thank you was given the bus driver also. Everyone agreed it had been a fantastic bus trip, which was a little bit out of the ordinary.

Two car loads of interested ladies from Ballinafad attended the Summary day on Quilts. It was held at Milton in the Optimist Club Wednesday of last week. It was a fantastic display of quilts, cushions and various other quilted articles as twenty-four clubs participated.

There was a steady flow of voters at the community centre on Tuesday, voting day. There were three polls. The results from the three polls together totalled: PC Perrin Beaty 320, Liberal Greene 178, NDP Koechlin 88.

The Jamieson family are enjoying the company of two cousins, their mother and other members of her family from Glasgow Scotland. This is their first visit to Canada and they anticipate a happy time together on their three week stay here.

Mr. and Mrs. Griffith Jones from Garson, near Sudbury, are spending a few days at the Smith Farm. The Ballinafad Boys' Soccer team named the "Ballinafad Blazers" had their first game last Wed. evening and Ballinafad won three nothing. Jeff Larson scored the first goal and Daryn Colton the next two goals. On Saturday morning they played the second game and the game was tied. The weather was not too nice but the boys worked hard, Brad Burnett especially, keeping the team together.

One amusing incident during the game was when a youngster Blair McPherson lost a tooth, ran across and gave it to his mother, then continued on with the game. The goal posts, donated by Gord Collins have been erected in Burnett's field for the practices. The teams in competition with the "Blazer" were the Thunderbirds on Wed. and the Sharks on Saturday. Both from Georgetown.

Churchill Community Church observed the 141st Anniversary on Sunday. Rev. Stiles from Georgetown was the guest speaker for the evening service. Many from the Ballinafad community were present and old acquaintances were renewed.
