Road race big success

The first annual Mayor's Road Race held Sunday morning was a tremendous success. Bruce McIntyre was the overall fastest runner.

All 108 runners completed the 3.4 mile course in surprisingly little time. The slowest runner finished in a mere 39 minutes. There were 125 people signed up to run but cool weather kept a few from running.

Most runners reported having little trouble with the course, although they'd have appreciated fewer hills. Runners reported the weather was good since it wasn't too hot. They didn't notice the cool breeze since they were moving hard.

Star runner Bruce McIntyre was the first person across the finish line, completing the 3.4 miles in just 18 minutes and 48 seconds.
