

# Church service, picnic held under sunny skies

by Winfred Smith  
Although there was a brisk north-west wind blowing on Sunday morning, there was quite a bit of sunshine which made the weather favorable for the outdoor church service and picnic lunch. At the start of the service the superintendent of the Sunday School, Mrs. Joyce Clarke announced the names of those who had the most perfect record of attendance at Sunday during the past year. In the seniors it was Rene Schwarz who had missed only two Sundays followed by three younger ones Kyle and Colin Pinkerton and Wendy Jones.

Mr. Stiles had a story for the children which was interesting for all. His sermon was "Telling Your Story—And Sharing Your Faith". It was announced that there would be a church service at the community centre next Sunday July 1 beginning at 11 a.m. This will be the start off for Canada Day celebrations which will take place in Burnetts Field for the afternoon.

The church service and races for the children were held on the spacious grounds of Mr. and Mrs. Schwarz. Lunch was served in the protection of the evergreen trees by the pond on the Snow property.

Debbie Butcher, a bride-to-be in late June was the guest of honor at two miscellaneous showers this past week. On Tuesday evening Lisa Woods and Michelle Deans entertained for several other young friends of Debbie's. Mrs. Lunday was hostess for the occasion at her home in Erin. Marion Jamieson of Ballinafad was among those present also the grandmother of the bride-to-be, Mrs. Bulcher Sr. of Alliston and the grandmother of the groom-to-be Mrs. F. Smith of Ballinafad.

Debbie thanked all for the many gifts she received.

On Sunday afternoon a large number of friends and relatives met at the Butcher farm home in the vicinity of Hillsburgh to honor Debbie. Mrs. Butcher welcomed the guests as they arrived. A nicely decorated umbrella was placed over a chair in the corner of the family room and Debbie was asked to sit down there. A small wagon laden with gifts was wheeled in by a little daughter of one of the guests. A variety of beautiful and useful gifts were opened by the prospective bride.

Amie O'Connor a student of Brisbane Public School represented her school at the sports day competitions held at Guelph recently. Amie competed in the ball throwing contest for the Juniors. She wasn't successful by being among the top winners but came fifth in competition with other schools from Wellington County. Congratulations to all students who competed.

A great deal of interest was centered around the village on Friday when

the contents of the home of the late Mr. Patterson were sold by auction. There were many antiques and some rare pieces of china. Some good prices were realized, also some bargains. The home and property has been sold to a Hillsburgh couple. So we hope to welcome some new comers to our hamlet very soon.

The community centre recreation committee have planned a big day's celebration for the July 1 holiday. Following a church service at the centre at 11 a.m. there will be a parade to Burnetts Field. There will be games races and displays. The Church and WI organizations have planned to have lots of food so lunch will be available, at a reasonable price. Proceeds going towards community effort.
