All-star games

Two big games involving Georgetown Industrial Fastball League's best should prove to be favorites with fans when they are played July 22 and 23.

Loop commissioner Bryan Lewis announced this week the GIFL plans to repeat its successful all-star game July 22 at Fairgrounds Park on Diamond B at 2 p.m.

The next day a GIFL all-star squad will meet the Milton Industrial Fastball League's best at Fairgrounds.

Lewis says player selection for the league classic has been changed for this year. After each game each team names two stars from the opposing squad. These results are being tabulated and those picked consistently will be named to the all-star squads.

Teams chosen first and fourth will play those chosen second and third.

Coaches of the top four teams in the standings as of July 8 will run the squads and will be able to name players on the MVP list who don't have enough votes to be on the four squads to fill vacancies.

Following is the list of MVPs and their points up to June 20.

Bob Allison, DRG-8, Don Richard, Acton-7, Andy Trencs, Hornby-5, Norm Topping, Peel Police-5, Barry James, Rexway-5, Frank Robinson, Hornby-4, Phil Dobbie, Rexway-4, Gary Hyde, DRG-4, Al Denmore, Akers-Clark-4, Keith McKinnon, Akers-Clark-4, Robbie Freestone, Rexway-4, Vince Lefebvre, Lefebvre, Curwood-4, Ron Osborne, Crichton Bros.-4, Rob Hamilton, Crichton Bros.-4, Mike Pierce, Crichton Bros.-4, Tom Trevelyn, Peel Police-4, Chuck Metter, C & S-4, Chris Tennant, Acton-4, Dick Spea, Acton-4, Terry Masales, Acton-4, Joey Deforest, Acton-4.

Van's Welding's second sacker Wally Ella seems to be praying he can make the throw to first base in time to catch the runner during Acton Industrial Fastball action on Monday night. Van's played to a 9-9 tie with Unisal while Family Cleaners suffered their second setback of the year 13-2 to J and T. Halton Hills Electric dumped Station Hotel 8-5 in the other contest.

bottom of the fourth inning as an Ian Campbell triple and a walk to Dave Piehl brought the Welders to within three runs of Unisal. And a home run by Peter Grimwood added a pair of tallies to the Unisal scoreboard in the fifth, restoring the five run margin.

A pair of Van's runs in the bottom of the fifth inning on singles to Daryl Whitten and Ian Campbell and a double to Jim James and four sixth inning tallies on six consecutive base hits coupled with Dave Piper's second homer of the game for Unisal produced a 9-9 final score accounting for the first tied ball game of the industrial league season.

Not only did Halton Hills Electric win the basement battle in the only other Sunday contest, their win coupled with Unisals tie lifted the Electricians out of basement danger past the Construction workers in the overall standings. Electric's 8-5 win over Station leaves the Hotelers in bottom spot with two wins in ten games.

Station Hotel made a valiant bid to clear the basement in the contest as they pounded the ball in the first inning scoring three times to take an early lead. A Floyd Hillier lead-off single, a walk, a triple to George Garton and a Sid Barens' single accounted for the runs.

Electric got one run back in the bottom of the inning as Jamie Vickery singled and scored on Lyle Pruetter's triple.

Halton Hills evened the count in the second inning as a walk and a Sparky Copeland home run accounted for the runs.

After three scoreless innings Halton Hills bats came to life as four runs

The best players from the four teams will join the next day and meet Milton's all-stars. The Georgetown players will be selected during the GIFL all-star game.

Atoms undefeated

Acton A and B Foodland Tri-county Atoms have had little trouble disposing of opposition in league play to this point in the season. They continued to pound the ball last week, scoring a 36-7 win over Eramosa and 10-4 decision over Maryhill, to remain undefeated.

In the rout of Eramosa, Acton got home runs from Billy Botetzayas and Derek Bottomley. Evan Hayter added the other big crack for the Foodlanders, belting out a triple.

PUBLIC NOTICE

Trespassing complaints are being received by the police and Ontario Hydro in this area from property owners whose land is crossed by a Hydro transmission line.

The presence of a power line does not mean that the underlying property is owned by Ontario Hydro. Many power line corridors are not Hydro-owned, but are used under various forms of legal agreement.

Persons intending to enter on any property must have the permission of the owner before entering, or be liable to prosecution.

Hornby Seniors nip Acton

Acton Family Cleaners' Ladies of the Halton Ladies Fastball League lost a 13-12 squeaker to Hornby Seniors in league play over the past week.

Acton Ladies led by a single run in the last inning but could not hold on for the win.

Maureen Gerth started on the mound for the Family team but had to be relieved in the fifth inning after suffering an injury. Pat Wood came on in relief.

Cornwell 12th

Jon Cornwell, local motorcycle star, met some tough competition when he raced in a motocross in Durham Moto Park, Sunday.

Cornwell was entered in the open expert class, and raced his 125CC bike against 250 and 400 cc's. Some of the best riders in Canada were at the meet including Bill McLean, rated second in Canada and Al Logue rated fourth.

"In the first moto my shift lever kept falling off, so I had to stop and put it back on again. I finished near the end of the pack."

Witnesses convention

A recipe for a happy marriage will be among the principal subjects to be discussed at the District Convention of Jehovah's Witnesses to be held at Montreal's Olympic stadium from July 19 to 22. Some 56 Witnesses from Acton will be attending.

"Happily married people are an endangered species", said Jack Perry, witness spokesman for the Acton area. "At present rate of separation and divorce there may soon be as many broken homes as united ones", he said.
