

All-star game Sunday

The weather was hot when the Acton ladies hosted Guelph in some tennis fun at the Acton courts last week. Lore Deegan and Margot Bollert found one way to stay out of the sun while they set the next round of action.

Former Montreal Expo star pitcher Bill Stoneman, a Georgetown Industrial League second sacker along with nine Acton Merchants are among 47 players in the all-star game Sunday July 22.

The game will be nine innings, with a maximum of three extra innings.

Midgets topple Eramosa

Acton In-n-Out midgets scored their second win in three games in Eramosa on Monday night.

After a long winless drought the midgets seem to have regained winning form. For the second time in a week the In-n-outers topped Eramosa, this time 9-7.

The In-n-outers looked destined for a loss after the second inning trailing 6-0 but the bats came alive as two third inning tallies and five fifth inning markers gave the local side the lead. Five of the In-n-outers' first seven runs came off walks.

Eramosa evened the count in the eighth inning as Matt Dupuis crossed the plate but two ninth inning runs by Murray McNabb and Gord Thompson gave the locals the win.

On June 28 the Acton Senior Team came up with their best effort of the '79 season defeating the Edelweiss Club of Bolton six matches to zero. The victory was not as one sided as the score might indicate and all the matches were very close.

The next two matches were a different story and Acton came out on the short end by the count of 4-2 in favor of Bramalea and 5-1 in favor of Regency Racquets. The standing as of July 12—

Regency Racquets - 33
Bramalea - 25
Georgetown - 25
Acton - 22
Brampton - 19
Wallace Park - 13
Edelweiss - 9

The Junior Inter County Team is presently in third place with one match remaining. In order to get in the playoffs they must win this match by at least 6-2 or they will be finished for the season.

Anyone interested in entering the Club Tournaments should be getting their partners lined up as the action begins on August 11 and 12 with the mixed doubles, September 22 and 23 for Ladies' and Men's doubles and October 6 and 7 for Ladies' and Men's singles.

Thompson bants

Acton's Thompson Fuel Bantams pounded out eight second inning runs in Halton Rural League play last week as they scored an easy 15-0 win over Hornby.

A fine three inning pitching performance by Rusty Elliott and some solid hitting enabled Acton to win. Elliott pitched the opening three

innings of the contest allowing only one base runner and striking out eight of the nine men retired.

Along with an eight run second inning the Thompson team added three third inning tallies, one in each of the fourth and seventh innings and a pair in the sixth.

Peewees top Eramosa

A five run third inning was all the Acton Restaurant peewees of the Tri-county Softball League needed to dispose of Eramosa Red in play last week.

The Restaurant team scored a 9-4 victory in the match behind the pitching of Bruce Canary and a pair of home runs by Darren Wrigglesworth. Brad Youmans scored

and Acton added another pair in the seventh to record the win.

Five straight base hits by the Restaurateurs in the third inning capped by Wrigglesworth's first homer gave Acton their big inning and a lead they would never relinquish.

The two sides exchanged fifth inning runs
