Record straight after visit

by Barb Wynneck
Mr. Southwell, Royal City Ambulance's operating manager, appeared before Eramosa Council to set the record straight. He objected to a Guelph newspaper's report regarding council's dissatisfaction with local ambulance service. Mr. Southwell brought records outlining the exact ambulance response times dating from July 1, 1978. At no time did service come close to taking 40 minutes, as reported he said. Four ambulances service the Guelph, Rockwood, Acton, Hillsburgh, Erin and Wellington-Waterloo County line area, he said. Six ambulances service the larger Kitchener area. Both services average about the same number of calls per year he said. Since 1968, two Royal City Ambulance crews are on duty 7 a.m. - 7 p.m. One team covers the 7 p.m. - 7 a.m. shift and a stand-by crew is on call, he said.

Three remanded

Three men charged in the beating death of Byron "Barnie" Stauffer, R.R. 4, Belwood last winter have been remanded a second time.

Ralph Bolender, 34, R.R. 1, Elora, Dennis Kraemer, 19, and Wayne Robert Playford, 19, both of Elmira appeared in Orangeville Provincial Court July 31 where they were remanded in custody to August 31 when a date for a preliminary hearing is to be set.

Mr. Stauffer, a bachelor, lived alone in his farmhouse until his brutal death in January. Extensive media coverage of the case, and a \$10,000 reward posted by the Ontario Provincial Police have been instrumental in solving the case.

Thieves helped themselves to five frozen trout which were kept in the storage area of the Reliable Taxi stand on Main St. S. last week.

Ontario's new 30% incentive to invest in small business

Small Business Development Corporations Program
This new program is designed to encourage private sector investment in small businesses throughout Ontario by the formation of Small Business Development Corporations.

The Incentive
Investors who purchase equity shares in a Small Business Development Corporation receive financial incentives that amount to a 30% grant for individuals and a 30% tax credit for corporations. On a \$1,000 investment, individual investors get a \$300 grant and corporations, a \$300 tax credit against Ontario Corporations Income Tax. It's a straightforward process and the Ministry of Revenue is ready to receive applications.

Formation of a Small Business Development Corporation
An individual, corporation or group of investors can set up a Small Business

Development Corporation to invest in eligible small businesses, if certain requirements are met.

Please Ask Us
Ministry of Revenue staff are ready to discuss with you how to establish a Small Business Development Corporation and how to apply for a grant or tax credit.

Bell Canada agreed to \$22,837.50

The union said no

For nine months we tried unsuccessfully to negotiate an agreement with the Communications Workers of Canada representing our craft and services employees.

Then, at the union's request, a government conciliator was appointed.

The conciliator recommended the following monetary terms:

An overall wage increase of 28.8% during the 30-month life of the agreement including a 10.5% increase upon signature of the contract, retroactive to December 1, 1978.

This brings the annual salary of a senior level technician in a major centre up to \$22,837.50 from the present \$17,719.29 by September 1, 1980. In addition, he recommended a cost-of-living allowance in January 1981.

Bell agreed

An additional increase in the range of 1% to 2% for all employees located outside of Toronto, Montreal, Hamilton and Windsor.

Bell agreed

Further wage increases of 1% to 2.5% for all employees in certain job classifications.

Bell agreed

Improved overtime provisions, including higher pay for overtime, so that a senior level technician could earn up to a maximum of \$22 per hour; more vacation and paid holidays; higher shift premiums and better travel compensation.

We agreed, although the entire package went far beyond our earlier proposals.

The union said no.

We regret the inconvenience to the public but we feel our position is a responsible one.
