

Safe at second. Hornby Greenhouser George Trencs stole second on Acton Travel during second round action of the Georgetown Industrial League Fastball tourney on the weekend. Travel's second sacker Jim James awaits the throw. James belted two homers on the weekend despite a pair of losses for the Acton team. The Merchants won their first two games before bowing out to Banvil of Milton.

Early start for Sabres

After one ice practice the Acton Junior "B" Sabres are ready to open their 1979-80 exhibition season. Or at least they had better be.

The Sabres will face-off with the Can-Am Hockey School of Guelph in an exhibition match at Guelph's Memorial Gardens tonight (Wednesday) at 8 p.m. Sabres coach Fred Buchanan is looking to employ only prospects during the game. Most of the returnees and players Buchanan knows will be sitting in the stands.

There were an estimated 50 players at the Sabres' first on-ice training session Sunday including Kelly McArthur, who will be in the camp of the Toronto Marlboros, and Mark Schinkel, who will attempt to make a

northern New York State college team.

The training continues for the Sabres at Memorial arena in Guelph on Friday night at 8 p.m. Buchanan welcomes anyone interested in joining for the club to show up at that time.

Top quality game as bants tie

In one of the most exciting games of the season, Milton's bantam rep soccer team and Acton Nomads played to a 1-1 tie in a league game in Acton Monday Aug. 13.

The game began under rain-threatening skies and a strong crossfield wind. Milton settled into their game first as the midfield combo of Reid, Persullo, Bonin and Van Der Holt took the initiative and set up attacking plays in the Acton end.

Time after time the Milton offence broke through the Acton back line only to be foiled by the goalie.

It was 20 minutes before Milton centre Tim Powers latched on to a lead pass and rifled the ball into the corner of the net.

The Acton boys, stung by this goal, started to pressure the Milton back line and one foray led to an infringement inside the Milton 18 yard area.

The referee awarded a penalty kick to Acton. The centre levelled the shot with a well taken score. This opened up the game and both teams gave an exhibition of fast end-to-end soccer right to

There were no goals in the second half but to soccer buffs it was per-

Georgetown resident and NHL official John McCauley has reported "no real change" as the result of an eye operation to correct a double vision problem.

McCauley, who was to head to his doctor yesterday (Tuesday) said there might be a slight change but nothing to write home about.

If the eye does not improve on its own McCauley could be slated for another operation within 10 days.
