Children's shoe size chart
 1 The child should be seated and should not be wearing shoes.
 2 Place the chart on the floor. Hold a book against the base line of the chart indicated below.
 3 Place foot on chart with back of heel against book.
 4 Gently press child's foot down and read size directly above longest toe for the larger size. Take the larger number.
 5 Chart provides ample room for normal foot growth.
 Place back of heel against the book at base line.

"My, how you've grown!" - Fill in the new sizes below
