Corn Done
The season for eating scrumptious hot buttered corn is longer now owing to the various varieties which ripen at different times, but those few frosty nights have just about finished it for this year.

Those people who signed the petition wanting the GRCA and the Ministry of Transportation to rectify the blowing condition on Highway 24 at the Guelph dam, will be pleased to

Dublin North 4-H learn more stitches

by Cathy Grandy
There were 15 members at the last meeting of the Dublin North 4-H. The girls started to learn two more stitches.

The stitches they did were Bargello and the scotch stitch. Both take no time at all and are very easy to learn. This time none of the members had any trouble with

them. They only have two more stitches to go.

The members who are going to do a second project have started working on them. There are about nine members working on a second one.

Achievement Day is on November 21. All of the member's work should be handed in by November 10.
