Good season

Eramosa Soccer Club has had a good season says coach Sandy Hudson.

Over 100 boys and four girls played the game this summer. Eramosa fielded eight teams, two at each age level, Pee Wee, Mosquito, Atom and Squirt.

Rockwood Atoms made the Acton finals and Rockwood Squirts captured the championship. The Club put forth an additional team effort, preparing the new field at Rockmosa Park for action next spring.

Stone picking, bees, seeding and fertilizing operations were all handled by soccer club volunteers. The club also financed seed and fertilizer costs.

The fruits of their labor is now visible—the grass is up. The Club hopes to be using the field by mid-season next year.
