

Putting the finishing touches to new steps at the Trinity United Church on Monday were Rob Allen, Wyman Little, Bruce Shoemaker and Eldon Com-

fort. The group was part of a work party that worked through rains to redo the building's front steps.

**W.I. visit fire hall - learn prevention**

by Winnifred Smith  
Mrs. Lloyd Marshall was hostess for the October meeting of the W.I. It was an afternoon meeting. Members met at the home shortly after 1 p.m. Mrs. Thomas Given, as convener of Family and Consumer Affairs also Safety, had arranged that we should visit the spacious new fire hall in Georgetown.

About a dozen members boarded the Givens' van and were met at the station by a young fireman. First we were escorted to the main auditorium and shown a film on What and What not to do in case of a fire. There were actual scenes shown from a disastrous fire which took place in Toronto.

There were many facts given which would no doubt save many lives. We were then shown that part of the building which houses the fire engines and trucks. The fireman told us all about them and answered several questions. Mrs. Alma Sinclair as courtesy convener, thanked him sincerely for his time and also told him it had been a most informative visit. Members arrived back at Lola Marshalls home around 3 p.m.

In the absence of the president, Mrs. Slessoraitis, 2nd vice president Lillie Given called the meeting to order. She opened with a short poem then all sang the W.I. ode and repeated the Mary Stewart Collect. Roll Call was answered by each answering a quiz on Safety in case of fire. After the reading of the minutes and a financial statement given the correspondence was dealt with.

Mrs. Leo Jamieson gave the important details of the District meeting she recently attended. The motto, "What we make of our Homes was more important than what our homes are made of" was given by Alma Sinclair.

Eleanor McLean was unable to attend the meeting so current events were given by Lola Marshall. Before closing the meeting, delegates were chosen to attend the area convention coming up early in November. Meeting closed with the singing of O Canada.

Grace McEnery and Winnie Smith assisted the hostess with the serving of a cup of tea.

The church was beautifully decorated with the fruits of the harvest for the Thanksgiving service on Sunday. There were quite a number of people out to enjoy the sermon and take part in singing the familiar hymns of Thanksgiving. Mrs. Eileen McEnery

accompanied the Men's choir when they sang the beautiful anthem, "The Longer I Serve Him". Rev. Stiles had the attention of the children when he told them their story previous to their going down to Sunday School Classes. Communion Sunday will be observed this coming Sunday.

Ballinafad Cub pack has started up again, and will be meeting at the community centre on Monday evenings. Boys between the ages 8-10 are invited to register. There is some interest in starting a Scout Troop and Beaver Colony. Leaders are needed.

On his return from a business trip in Miami Florida, Joe McClellan, son-in-law of Mr. and Mrs. Bud Snow spent the weekend with them before returning to his home in Vancouver B.C.

Mr. and Mrs. Thomas Given had a pleasant surprise last week when they got a phone call to say their friend was at the

airport. Mr. Mel Addy, a former resident of Ballinafad, now residing in Harrison Hot Springs, British Columbia, is spending a holiday with Mr. and Mrs. Given, and renewing acquaintances on the Sixth Line and round about the neighborhood. On Sunday he accompanied Mr. and Mrs. Jesse McEnery to Tara, where they visited with

Beth and John Pearson and sons. Residents of the Eighth Line and vicinity were treated to a spectacular sight on Saturday when the Eglington and Caledon Hunt Club started off on one of their hunts. They left from the residence of Mr. and Mrs. Woods, 8th Line, Halton Hills, near the Ballinafad Sideroad just before noon.

**Golden Agers to attend rally**

The executive of Zone 13 of which Acton Golden Age Club is a member, has accepted the invitation from Burlington's Senior Citizens' Club to hold their Rally in their new complex on November 6. Bert and Irene Davidson and Les Graham represented the Acton Club at a planning meeting held at Oakville's senior citizens home October 25.

Another invitation was extended to the club from Belles and Beaux Senior Citizens Club of Georgetown which meets at Stewarttown on Oct. 22 at 1.30.

O Canada and the theme song, with Jean

McLean at the piano, opened the meeting.

The auditors appointed were Annie Lambert and Vera Ingles. Jean Precious, Emma Near and Greta Perkins were elected to be the nominating committee with Ann Berry as alternative.

Edna Bealey represented the club at Halton Health Clinic,

Georgetown, on Monday, Oct. 1. Finding ways towards transportation for the disabled was the objective. A committee was formed to contact Burlington and Guelph's new operations and report back on Oct. 29 at 3 p.m.

Annie Lambert was the recipient of the happy birthday song.

**Salt move**

Regional staff will consider de-centralizing road salt storage in Milton in order to cut time and distance for road clearing this winter.

Councillor Pat McLaughlin brought up the idea during discussion last Wednesday at public works committee on the tender for this year's salt purchases from the salt company. He noted the region's road salt supply is stored at the works yard on Steeles Ave. in Milton.

**FIGHT THE BITE.**

If your wallet registers empty when your gas gauge registers full, it's time to fight the bite. Get new Castrol GTX 10W/30, the Gas Stretcher.

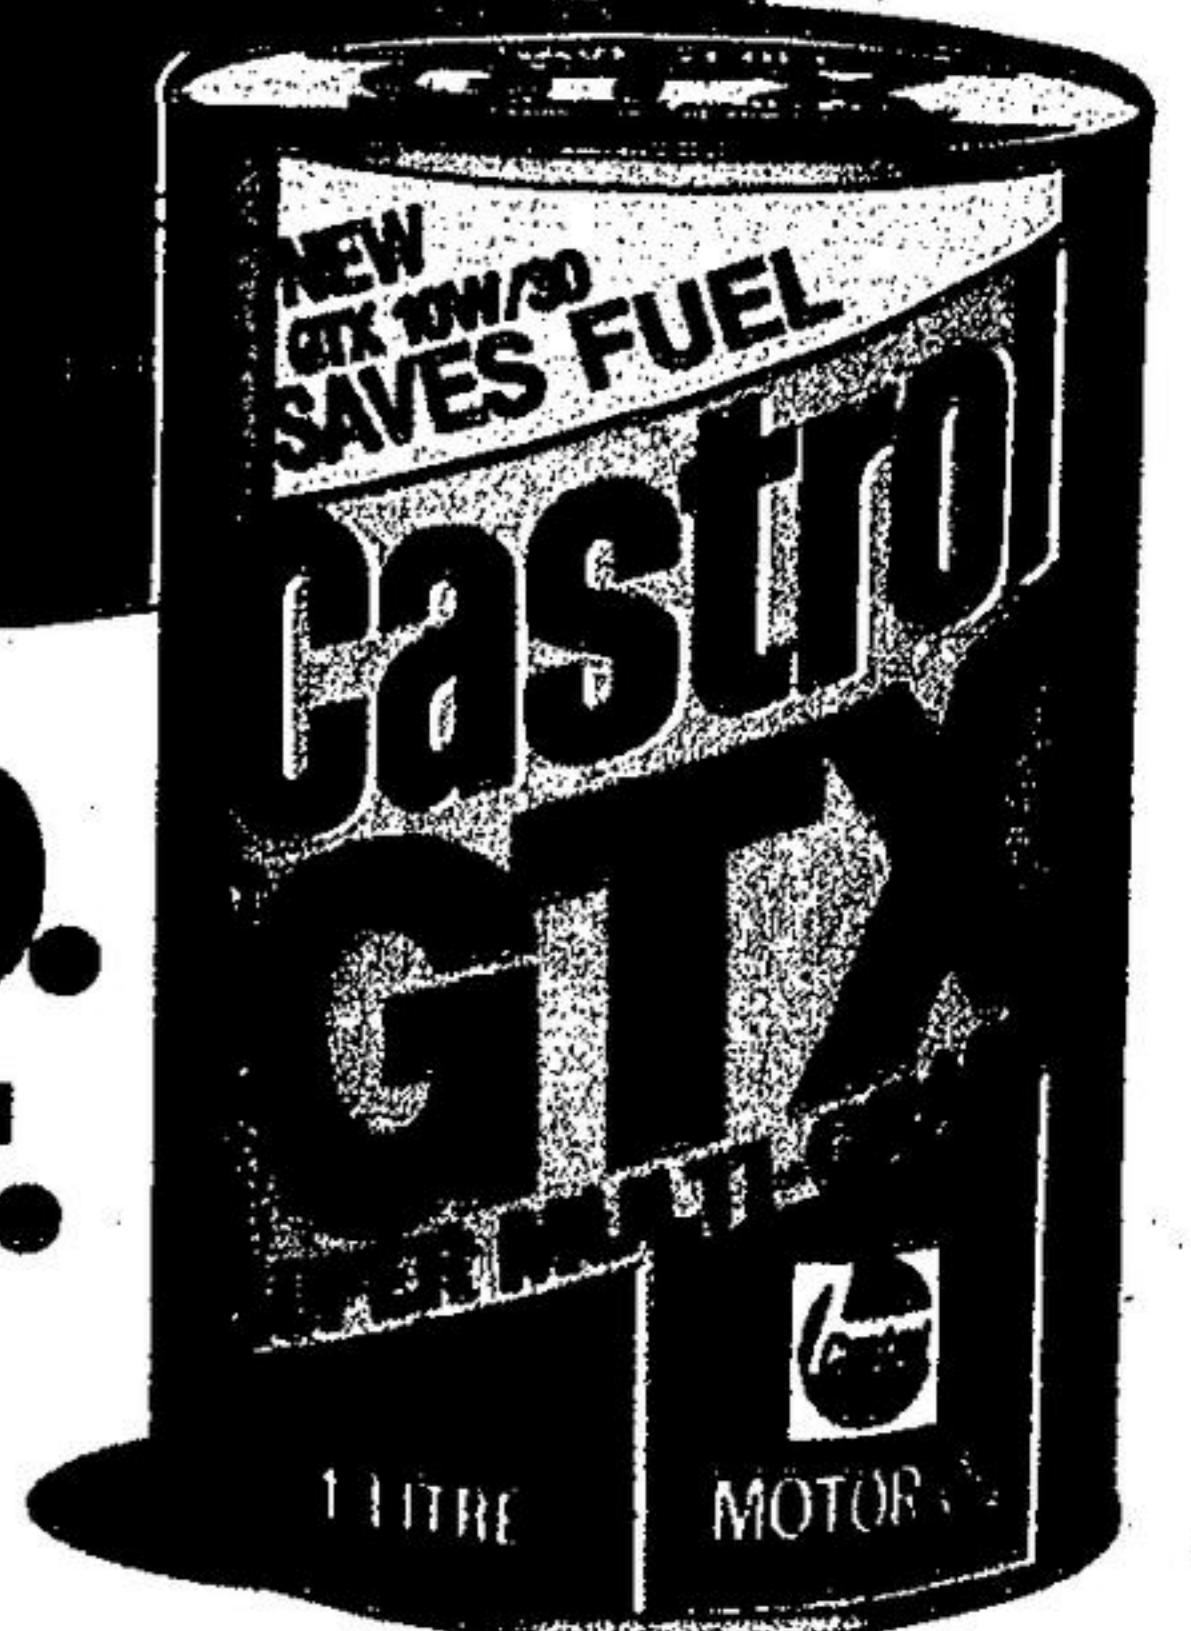

Here's how it can help: Thanks to new friction-fighting additives\* that make the oil "slipperier," new GTX 10W/30 can actually stretch every litre of gasoline you buy further—depending on the way you drive and the condition of your car. Besides which, Castrol GTX is warranty approved by car manufacturers in over 140 countries around the world. And that's because you just can't buy better protection for your car's engine. New Castrol GTX 10W/30, the Gas Stretcher. Over the long stretch, it'll really pay off.

\*Evaluated under EPA fuel economy test procedures.
