

Ed's In-n-out Midgets saw their first taste of pre-season play last week as they recorded victories over Caledon 8-0, and Kitchener 9-1. The Acton team used 22 players in the two matches as coach Cope Smith prepares reduce his roster to 17 before the

league opener. Pictured below, Acton forward Denise Kirton fights with a Kitchener defender to reach a loose puck in front of the Kitchener net. To the right is Acton's Del Mohamad.

# Midgets surrender one in two exhibition victories

Ed's In-n-out Midgets were the first local minor hockey team to don the blades in pre-season combat this year. They showed they would be a team to be reckoned with over the Waterloo-Wellington season.

The midgets gave up only one goal in two exhibition games over their first week of action as they topped Caledon 8-0 and Kitchener 9-1.

In their first contest of the season, against Caledon, the locals took advantage of a five minute high sticking penalty to pot four goals as they scored an easy 8-0 win.

Gord McArthur got Acton on the scoresheet at the 5:21 mark of the opening frame with an unassisted goal. Denise Kirton extended the lead from Gary Lumbers before the frame ended and then the in-n-outers broke loose.

Derek Hodgson fired two second period markers along with singles

from Kirton and Lumbers as the Acton team went straight to the attack. Mike Monahan picked up a pair of assists in the period with Del Mohamad, Mark Duval, Brent Vickery, and Paul Campbell earning single helpers.

## Turkey shoot

Each year Acton High School has their own Thanksgiving Turkey Shoot. The high school shoot is not like many others. It is a basketball foul shooting competition with the winners taking home a ten pound bird.

Grade 13 student Martin Osso was the hottest shooter among the boys in the competition sinking nine of ten baskets while the girls competition was won by a grade nine student, Nancy Wong with a seven of ten performance.

rounded out the scoring with Paul Campbell and Derek Hodgson netting third period goals. Scott Timbers assisted on the Campbell goal while Hodgson's third of the game was unassisted.

Dave Anderson and Tim Baker shared the goaltending duties for Acton in the shut-out.

In the second game of their exhibition season the In-n-outers were slow starting. It wasn't until the third period that the Acton team came to life netting six goals on their way to the 9-1 win.

Gary Lumbers paced the Acton scoring attack picking up four goals and an assist. Mike Monahan added a pair of goals for Acton with Del Mohamad, Derek Hodgson and Gord McArthur adding singles.

Denise Kirton headed the playmakers with a pair of assists while bantam grads Mark Duval and Rob Vermeulen picked up single helpers. The Acton goaltending

combination of Anderson and George Garton came within four seconds of the shut-out. Brad Bye beat Garton with a last ditched effort with four seconds remaining.

The midgets employed 22 players over the two games but must cut back to 17 before their season opens.

## Ron Twiss bound for Ranger's farm

Milton's Ron Twiss has signed with the New York Rangers and has been assigned to one of their farm teams.

Twiss, who previously played with the Milton Flyers and Windsor Spitfires, was spotted by a Ranger scout last spring while he was playing defence for the Georgetown Intermediate A Raiders. The night he was scouted Twiss turned in an outstanding playoff effort against Fort Erie

Frontiers both defensively and offensively. He fired a hat trick.

He was invited to Rangers' rookie camp in Virginia and afterward was offered a contract to play with Richmond of the Eastern Hockey League. There is a chance he could be moved up later to the Stanley Cup finalists' top farm club in New Haven of the American Hockey League.

## Big run for small feet

Sixteen elementary schools from this area will compete in the tenth annual North Halton cross-country championships today (Wednesday) at Kelso Conservation Area.

Teams from Georgetown, Acton, Milton and the surrounding area will be sending eight teams of boys and girls to compete in bantam, junior, intermediate and senior groups.

The races over the hilly terrain of Kelso will be one mile in length.

## Ealey speaks here

Former Toronto Argos quarterback Chuck Ealey will be the guest speaker for the Halton Hills Christian Men's Fellowship's first monthly dinner meeting on Tuesday, October 16, at North Halton Golf and Country Club.

Besides being a former Canadian Football League great, Ealey is also active in Athletics in Acton, an organization for Christian Sportsmen.

He is being brought to Georgetown for the second time in the last few years by Gord Barwell, a local resident and former star receiver of the Saskatchewan Roughriders. Barwell is an official of Athletics in Acton and brought Ealey, Zenon Andrusyshyn and Peter Muller to Georgetown High School two years ago to talk to students about Christianity.

Ealey began his CFL career in 1972 as Rookie of the Year, pilot of the Hamilton Tiger Cats and took his club to a Grey Cup victory. Later he played for Winnipeg Blue Bombers before starring for Argos for four seasons.

After failing to make the Boatman during a five day trial earlier this football season he retired from the game and now works for John Deere machinery.

Athletes in Acton has 60 active members in Canada.

Tickets, at \$8, for this first dinner are available until Monday October 15 from Rud Whiting - 877-2286, Gerry Corbett - 877-6631 and Barwell - 877-1289. The dinner begins at 6:30 p.m.
