

The Acton Sabres showed area fans they weren't going to back down from the Streetsville Derbys this season when the two teams met at the Community Centre Friday night. Brad Buchanan and Duffy Tracy mix it up with the Derbys along the boards here much to the delight of one spectator. The Sabres wouldn't let the Derbys push them around for the first half of their match but experience and a size advantage paid off over the final half of the contest as Streetsville came back from a 1-4 deficit to pounce on a tired Sabre squad 10-3.

Georgetown Gems

Rookie Georgetown Gemline coach Tom Daley made 44 points in 44 games his goal for this season. So far his club is right on track.

Sunday at home Gems downed Barrie Colts 5-4 to pick up their second and third points of the season which is only three games old. Georgetown previously tied Acton and lost to Burlington.

The game should never have been so close.

The referee and linesmen called a goal for Colts with 38 seconds left which in fact hit the right post and slid through the crease. The goal judge had not flashed the light.

Barrie started out with a 2-1 first period lead but it evaporated in a space of two minutes and 26 seconds in the second as Georgetown potted three powerplay goals in a row.

Gems went up 5-3 early in the third before Barrie came back to within two.

Flyers look for win

Reset by problems coming from several different directions, the Milton Flyers' instability showed in both games last week.

Flyers lost 5-3 Thursday night to Dixie before dropping a 12-9 shootout the next night at Memorial Arena to Oak Ridges Dynes.

Sporadic play and a lack of hustle was blamed by Flyers GM Vern Gooding as the reason for Flyers' loss to Dixie while poor goalkeeping was cited Friday for the loss to Oak Ridges.

On top of this rests the quick exit of Flyers coach Doug Vaughan (see other story) who was replaced by manager Scott Soles on an interim basis.

"By Wednesday (today)," said Gooding, "we're going to tighten things up and get this team back into shape."
