

42. HELP WANTED

**DATE PROCESSING PROGRAMMER/PROGRAMMER ANALYST**

Computer Programmer required to assist in the implementation of a new Data Processing Department located at our Milton headquarters. We are looking for a self-starting individual with a minimum of two years' programming experience. Ideally the applicant will have a degree from a Community College or University in Computer Science or an equivalent amount of training and experience. Background in a manufacturing environment and mini-computers, with experience in either Cobol or Basic preferred. Computer hardware will be a DEC PDP 11/70 and experience in the PDP 11 area using RSTS/E will be advantageous. You will receive commensurate compensation with a comprehensive benefit package. Please apply in writing including a resume with details of experience, education and personal information to:
