High school news

This week is Spirit Week at Acton High, but the spirit of students started last Friday with the annual Halloween dance.

More than half of the students who attended were dressed in Halloween costumes. Best costume prize was worn by Doug Hannah.

This week is not only Spirit Week. The Ministry of Education, has made the first week in November Career Week. In different classes students will spend time

discussing their future careers.

Last Friday Sheila Wilson, a secretary at Acton High, left after four years in the main office. Mr. Wilson has taken a job as business manager at Milton High School. The students and staff wish the best of luck to Mrs. Wilson in her new job.

A grade 10 history class has been studying the

Mennonites for the past few weeks. To fully understand this topic, nine students lived with the Mennonites for two days. The students went to St. Jacob's where Mennonites live. Many students found the Mennonites very friendly but live a very different lifestyle than us. The students feel it was a very good learning experience.
