by Barb Wynneck

An opportunity to clean up those empty bottles you've been meaning to return! Rockwood Cubs and Scouts will be out in full force on their annual bottle and tape drive, Saturday, November 3.

The boys are collecting all returnable bottles as well as Dominion and Zehr's grocery tapes in Rockwood, Eden Mills and Everton. Proceeds will purchase camping

Scouts program is in full swing, with 24 cubs and 14 scouts on the roll. Eden Mills Cube transferred to the Rockwood group when their pack folded this summer.

Ospringe Dressing rose bushes thorny task for Doris

by Dorls Fines Why do they say "Every rose has its thorn?" That is a minor statement to say the least. I firmly believe there is a thorn on every square inch of stem and branch. If you have ever tried to put your arms around a rose bush you will know what I mean. I finally managed to get mine warmly clad for the winter, under much resistance and opposition the thorny

creatures. The Williams family reunion was held October 13 at the home of Mr. and Mrs. James Taylor. Family relatives came West Bramalca, , Priceville, Mississauga, Orillia and Barrie, to spend an enjoyable day together. The usual games were held for the children's enjoy-

Centre did an excellent job of redecorating. Some of the church members treated them to a hot dinner on Friday, which they appreciated immensely. Metric Munchers

There are eight girls in the Mimosa 4-H Homemaking club, and the name they chose for themselves is "The Mimosa Metric Munchers." Linda Moore is the president, and the other members are: Gustaw, Kathy Adams, Betty Jo Hurd, Swackhamer, Kristina Pederson, Susie Mann, and Susan Meerman. Monday night's meeting will be in the form of a Hallowe'en party, which will include

a hay ride and custumes. Mr. Kent Butcher from the Canadian National Institute for the Blind in Kitchener, showed a Walt Disney film "Felix the Cat," to the Ospringe school children. The film was on the proper care of your eyes. He also explained how blind children are taught through the Braille system and language. Mr. Butcher presented a very enlightening question and answer period.
