Call Barrie for ski info

by Alex Henderson
Your vision of riding a chairlift or gliding a sylvan trail is close at hand.

It's almost time to call Barrie, nerve centre for Ontario skiers, to get a fix on the vagaries and pleasures of winter, on the hills, through the bush and on the highways.

The Ontario travel information centre here maintains an all week service for winter sports enthusiasts beginning Friday, Nov. 30 and will run to the end of the season.

Toronto residents and the city's visitors can obtain this information on three toll-free lines: 364-4722, 364-4785 and 364-4855 via recorded tape, and it's all updated. Regular lines from more distant points are (705) 726-0832 and 728-5851 or call collect (416) 965-4008 weekdays. The whole system is a combined cooperative effort between the Ontario government and the Ontario Ski Resort Association.

WATER USE
Water is an important part of our environment. Each Canadian uses an average of 225 litres of water every day. Industry, agriculture and municipalities use 6,400 litres a day for every person in Canada.
