A terrific buy that the cooks on your list will appreciate! And it's just your Eaton's account card away!

With these superb pots, cooking is done with very little water — conserving nutrients.

You start with medium heat. And in just a few minutes turn the heat 'way down low' to complete cooking — and so conserve fuel. These pots can also be used as "slow cookers".

Stews and such can simmer and bubble away for hours, at very low heat, to develop succulent flavours and make cheaper cuts of meat tender. A help to your budget again and again!

The non-porous stainless steel resists odours. It forms a "sandwich" around carbon steel that evenly distributes heat for reliable cooking results. Stay-cool handles and knobs. Easy to

clean by hand or popped into the dishwasher.

(1) 391 — The 11-pce. set includes 1 each:

- 1 litre covered saucepan.
- Covered double boiler with extra lid (Top is 2 litres, bottom 3 litre capacity.)
- 5.5 litre covered Dutch oven with trivet.

An outstanding value at regular price and now at this outstanding low, half-price!
