Dublin WI has private auction

A few patches of snow signalled the time for the annual auction sale of the Dublin Women's Institute at their meeting on Thursday.

Home baking, jams, pickles and garden products as well as many other articles were displayed. They came under the hammer of the auctioneer, Mrs. J. Kranendonk, complete in top hat, frock coat and walking cane, who provided many laughs. Good monetary returns resulted.

Mrs. C. McIntyre, Sixth Line, Milton (Nassagaweya) hosted the meeting and Mrs. W. Lasby presided.

Doubling in her duties, Mrs. Kranendonk acted as secretary-treasurer, and called the roll. It has been a busy year and a satisfying one by the returns. Many contributions have been made to worthwhile projects both locally and elsewhere.

Mrs. D. Hunter reported on Educational and cultural affairs.

Three catering dates will be looked after in the near future, reports by Mrs. E. Wilson, convener.

"Indoor Gardening" is the theme of the classes which Mrs. M. Neillis and Mrs. C. Armstrong are instructing. Mrs. Neillis reported a good number and attended the first class recently at her home with the second one to be held at the home of Mrs. Wayne Mason, fourth Line, Esquesing, on November 19.

The sale of Women's Institute mugs in the Branch was successful. Mrs. W. Frank looked after details.

Plans for the proposed annual bus trip were given by the bus committee. This year they hope to go to Simcoe to view the Christmas lights December 2.

A "little bit of Ireland" surfaced at the meeting

Council asked to support Women's Day 1980

Halton Hills council will take into consideration in their budget the request by Georgetown University Women's Club for a donation of \$250 towards their Woman's Day, planned for April 28, 1980.

Janet Manderson from the club asked council Monday night to show their support by making the contribution. The club is planning the day as a non-profit community event with guest speakers planned for the day-long event.

Mayor Pete Pomeroy explained to Manderson the answer was neither positive nor negative but would be taken into consideration by the budget committee.

A well attended monthly meeting of the Catholic Women's League was held Tuesday, Nov. 13.

It was a reported seven cartons of used clothing had gone to the boat people. Plans for the Christmas bazaar and tea to be held Nov. 24 at the Legion hall were

last meeting, seven members attended a twilight retreat at Our Lady of Victory Church at Milton Heights and three attended the Fall regional meeting in Kitchener, the theme of the latter being "our mission as C.W.L. members."

Speaker for the evening was Eileen Smith of Burlington assisted by Shirley Pinnell. Mrs. Smith spoke on "Natural Family Planning," a natural method of achieving or avoiding pregnancy, which is harmless, reliable and morally accepted. She urged any one interested, especially young engaged couples to get in touch with her for further information.

Board departs from routine

The last Halton Board of Education meeting witnessed two departures from normal routine.

Board chairman Bill Herd, Oakville, instead of reciting the Lord's Prayer with everyone, read some Bible verses from Romans Chapter 5. "On that hopeful note, I'd like to welcome everyone this evening."

"I thought it was terrific," Education Director Em Lavender said the next day. He said

Herd knew exactly what he was looking for.

The verse reads, in part, "By whom also we have access by faith into this grace wherein we stand, and rejoice in hope of the glory of God. And not only so, but we glory in tribulations also; knowing that tribulation worketh patience; And patience, experience; and experience, hope."

The other change was the later than usual starting time for the public portion of the meeting. Trustees met in private for two and a half hours, running an hour and a quarter past the stated starting time of 8:15 p.m.

with Mrs. J.A. VanFleet as courtesy convener.

God's Country.

The natural beauty of Israel is something to behold. The Negev desert with its violet mountains, yellow canyons, rare wildlife and unique vegetation.

The dazzling coral of the Red Sea where you'll see some of the most remarkable colors ever viewed underwater.

The nature reserve of Hai Bar where biblical animals such as the ibex, gazelle, and oryx antelope roam freely. The Mediterranean grotoques of Rosh Hanikra where splashing waves become rainbows.

The Sea of Galilee at sunrise. The stillness of the Dead Sea at sunset. But there is another kind of beauty, too, that is Israel. A beauty that can be felt in Jerusalem, Bethlehem, Hebron, Nazareth, Jericho. For Israel is the land of the Bible.
