Here are the seven most practical stitches which make Janome 646 the perfect machine for the home dressmaker.

**Pattern Selector:**

-  "0" position on the dial makes a perfect straight stitch.
-  Regular zigzag stitch, variable width up to 5 mm.
-  Triple zigzag or stretch stitch for inserting or elastic sewing.
-  Automatic buttonhole without turning the material.
-  Overlock stitch for neat, durable edge seams.
-  Stretch stitch (triple seam) a super strength stitch for all stretch fabrics.
-  Blind hem stitch for invisible hemming.

**Stitch Length Regulator:**  
Stitch length from 0 to 4 mm can be selected by turning the regulator dial. Just push the regulator dial in for reverse stitching.
