Presenting the Simcoe factory engineered home

For people with their own lot or land — a fine home and solid investment

Put this elegant home on it and you truly improve your property.

Look at some features: pillared Georgian-style porch and impressive entrance — large living area — L-shaped kitchen, complete with rich cabinetry and built-in dishwasher. And look at the size of the master bedroom, with a full Mr. and Mrs. closet with its own private ceramic tiled 4-piece bathroom.

All living and bedroom areas are luxuriously broodloomed for warmth, quiet and comfort. Options include porches, carports and garages.

The Simcoe is the finest expression of the art of factory-built homes — and can be delivered, erected and completed with a minimum of fuss.

Modern Modular Homes are not mobile homes — they are traditionally-styled homes built in our factory. This allows us to maintain our rigidly high standards of workmanship, and assures you of a quality built home.

All Modern Modular Homes are CMHC approved so that financing is straightforward. Get all the facts! Fill in and mail the coupon right now!
