Clayola* MODELLING CLAY

Special formula and convenient shape make CLAYOLA the finest modelling clay available. CLAYOLA clay is soft and pliable for easy modelling, yet keeps whatever shape it is given; draws to a needle fine point for detailed work; finishes smoothly; and forms circles and coils without cracking. Non-toxic CLAYOLA clay does not harden. Each quarter pound separates easily into four cylinders for convenient use and distribution in the classroom. Available in 8 colours: Blue, grey, green, red, yellow, brown, cream, terra cotta. **\$1.39**
