

42. HELP WANTED

**ASSEMBLERS
INSPECTORS
TECHNICIANS
DRAFTSPERSONS**

Varian Canada is a high technology electronics company and leading manufacturer of microwave tubes, magnetometers, and high voltage power supplies used in terrestrial and satellite communication amplifiers. Continuing growth and expansion have created the following openings.

ASSEMBLERS

Electronic and Electro-Mechanical

We have several openings at various skill levels working with high voltage power amplifiers, electronic power supplies, heat exchangers. Applicants should have proven experience in several of the following areas: printed circuit board soldering, cable harness fabrication, electronic and mechanical assembly (large and small) from blueprints and schematic drawings.

INSPECTORS

For the inspection of large and small mechanical components and assemblies; electric and electronic assemblies; circuit boards. All applicants must be familiar with standard inspection instruments, including microscopes and shadow graphs, be capable of reading blueprints. Knowledge of military specs an asset.

TECHNICIANS

Graduate thru Senior level technicians required to perform line tests, final tests, trouble shooting and debugging of Microwave Amplifiers, as well as building of test fixtures for military high voltage power supplies. Applicants must be at electronics technicians standing or better. Familiarity with microwave measurements is a definite asset.

DRAFTSPERSONS

Intermediate thru Senior level Draftspersons required in the areas of electro mechanical field for the telecommunications industry. Printed circuit board and sheet metal experience is required.

We offer competitive salaries, liberal benefits program, including dental plan and excellent working conditions. Applicants are invited to contact or send a resume in confidence to:
