

# Mailbag is full of Santa letters

This time of year is Santa's busiest. On top of looking after last minute travel details, he is also busy answering letters.

However, Santa has a problem which crops up every year—children who do not put their return address and sometimes even their last name on their letters.

Santa contacted The Acton Free Press to tell us David, Dean, Michael, Leo and David and Erin and Alisa Rogers did not put enough information in their letters. If their parents will phone the Free Press, we'll relay the addresses on to Santa and hopefully they will receive their letters before Christmas.

My name is Monika and I am only three years old.

I would very much like to have one Baby Alive and one Cry Baby. Also a cradle and carriage would help me to look after them.

I am going to see you in the November Santa Claus Parade in Acton and I will wave to you and throw you a kiss too. And on Christmas Eve when you come, my brother and I will leave you some coffee and cake.

Love you very much and thank you dear Santa for the presents.
