## Figure skaters hold competition

### Provincial parks

Memories of water skiing and sunbathing may be growing dim but the crisp winter air brings cold-weather fun sharply into focus at Ontario's provincial parks.

Some parks offer groomed cross-country ski or snowmobile trails, wax shacks or warmup cabins, others simply a plowed parking lot at the threshold of a pristine wonderland.

Parks and recreation areas geared up for winter use are described in the 1979-80 edition of Winter Outdoors, Ontario Provincial Parks and Trails available free at the Ministry of Natural Resources, Parks and Recreational Areas Branch, Room 3321, Whitney Block, Queen's Park, Toronto, M7A 1W3, or call (416) 965-3081.

Two parks (Bronte Creek and Wasaga Beach) maintain artificial ice rinks and may have hills for tobogganing.

Entrance fees are charged at some parks but most are free. Vehicle gates are closed at some parks because of unplowed roads.
