

Cinderella's ball was re-enacted by the First Eden Mills Brownies recently, as they produced the play for visitors from the Rockwood Brownies and senior citizens from Eden House. The event, held in the Eden Mills Community Centre, was enjoyed by everyone from the youngest brownie, six, to the oldest senior, 85.

Dublin North Two 4-H cooks in wok

by Mrs. R. McLean
4-H Meeting
The first meeting of Dublin North Two was held at the home of Mrs. Bob Johns. The meeting was opened by Mrs. John McLean, followed by the election of officers. The officers are: president Kathy Johns, vice-president Heather Lasby, secretary Debbie Baum, press reporter Jennifer McLean. The club is called "Food for Friends". It is about energy saving cooking, with small appliances. They made Chinese style beef, using stir frying and a wok.

would sleep on mats, on a raised dias. The neighbour banged on the door at midnight. The man of the house would give him what he needed, in spite of the inconvenience. The point of the parable is that God loves you. He will give you what you need, without you having to make a fuss.

In the other parable, the widow, who was unjustly treated, bothers the judge. The judge cared about power, not the concerns of the people. He might take a

Glynns travellers

by Mrs. A. Benton
Mr. and Mrs. Peter Glynns, who now live in Regina, Saskatchewan, have been having interesting travelling experiences recently. Peter is again one of five Canadian delegates to an educational conference of university level being held in Paris, France for

bride, but the widow had no money. However, he took her case, because she continued to bother him. How much more will your heavenly Father listen to you!

Prayer is more than a mental exercise; it should not be composed at great length.

Hebrews 11, "substance of things hoped for, evidence of things not seen..." could keep philosophers busy for years. Simply expressed, Moses, Enos and Abraham "walked with God."

We extend sympathy to Mrs. Donald Brown and little son Jason in the loss of Donald who passed away suddenly on Saturday morning.

Almost 100—dances jig when W.I. visits

by Winnifred Smith
Tuesday afternoon Jan. 29 several members of the Ballinafad WI including their oldest member, Mrs. Agnes McEnery, paid a visit to the local residence for seniors, Maple View Lodge. Mrs. Joan Waldie was present to welcome the visitors.

McEnery the pianist, brought along her husband Ernie who plays the violin. Mrs. Slessoraitis, president of the organization introduced herself and said how happy they were to be there. Song sheets were given out and Ernie and Eileen played as all joined in singing old time favourites.

elderly residents were in their glory as the old time dance music was played. One lady, Mrs. Buchanan, who will be 100 years old in July, even got up and danced a jig. Another resident in her 90s Mrs. Wood, who played in an orchestra for years in her younger days, let the people know she hadn't forgotten the touch she once had with the ivory and black keys. Two or more ladies from

the group assisted Mrs. Waldie and her helper with the serving of a cup of tea and cookies. It was a happy occasion for all. Mr. and Mrs. Fred Shortill recently returned from visiting their son, Ross, his wife and family.

Visitors at the Smith farm on the weekend were Mr. and Mrs. Danny Didd from Alton. Miss Jean Lawr spent the weekend at home with her parents, Mr. and Mrs. Archie Lawr.

Mr. Stiles gave his congregation food for thought, in his sermon on Sunday. His topic was dealing with "The Church and Politics" Do they mix? He read verses of scripture from the Book of Revelation, which said that an evil force would become so strong, that huge armies would gather and dominate over the lesser countries of the far East and eventually try to drive out Christianity

from the world. The minister went on to say that the Christian country of the world must keep the faith and hang on to their belief that right would win over the wrong and lasting peace would prevail. Mr. and Mrs. Rob Witmer will be guests next Sunday, Feb. 10. They formerly lived in Japan and theme of their talk will be "Japan—East meets the West."

Dublin North form 4-H

by Julie Pierce
The first meeting of the Dublin North 4-H club was held on January 29. This club is led by Mrs. Marion Hunter and Mrs. Diane Enderwick and is called "Food for Friends". In this club we will learn about many different kinds of foods we may serve for our friends and how to prepare them, such as tacco's, crepes, pizza,

saucy franks, and cabbage rolls. We will also be working with a wide variety of small appliances and will learn not just how to use them but also save energy at the same time. After the 4-H pledge was said we all introduced ourselves and talked about what we will be doing and making. We then chose the officers. Tammy Hunter is

President, Sandy Smith is Vice President, Cathy Wellwood is Secretary-Treasurer, Sandi Hunter is phone girl and Julie Pierce is Press Reporter. Other members are Cathy Grady, Julie Dix, Mary Grady and Sue Enderwick.

We then read through our booklets about Stir Frying and how it is done. Sue Enderwick later demonstrated.

Give... THE HEART FUND

Got an old furnace? This message is directed exclusively to a small percentage of homeowners.

Every January it is customary for Boehmers to offer its once-a-year, no-nonsense furnace sale. People have come to look for it as a practical and economical way of replacing their old, inefficient furnaces - whether gas or oil.

This year, we offer three additional benefits on replacement furnaces and boilers (gas and oil) or conversion burners.

First, if you pay cash with the order you will receive an immediate 10 percent discount during January and February.

Second, if you wish to order your new furnace now and have it installed as soon as possible, you can withhold any payment until September 1st, 1980, without incurring any interest or carrying charges whatsoever.

Third, if you prefer this latter method of payment, you can either pay in full by September 1st, or sign up for our own exclusive monthly payment plan at rates which suit your budget.

So, if you are one of the small percentage of homeowners whose furnace is getting old, inefficient, ineffective, now is the time to seriously think about our beginning-of-the-year Furnace Replacement Special.

MASTER SERVICE PLAN

A great many of our customers insist that our Master Service Plan is a valuable insurance against unforeseen service charges for their furnace. Parts insurance and labour are combined in one single plan at \$54.95 per year or \$4.60 per month. Most people simply wouldn't do without it. How about you?
