DURAA PRINT

PHOTO PROTECTIVE COATING

Now those once-in-a-lifetime shots will last and last, thanks to Dura Print. It's a remarkable photofinishing process that laminates your prints in a plastic coating. That means your favourite snaps are

- **WATERPROOF**
- **SCUFFPROOF**
- **FADE RESISTANT**

REPLACEMENT FILM: You'll receive our replacement colour print film with every roll of colour negative film developed and printed.

GUARANTEE: If for any reason you're not satisfied, we'll give you a 25¢ rebate per printed picture (developing charge not included).
