CO-OP

LUBRICANT GUARANTEE

An Assurance of Consumer Protection
Your CO-OP Provides This Guarantee On All CO-OP Lubricants
EFFECTIVE JANUARY 1, 1980

A. CO-OP oils and greases are blended to meet or surpass the requirements of automotive and machinery manufacturers when used as directed.

B. CO-OP guarantees that no damage will result from a change from other oils to similar CO-OP oils. If CO-OP oils are proven to cause damage or if you are denied warranty by an equipment manufacturer or its authorized representative, because he claims the warranty is voided by the using of a CO-OP oil or grease, CO-OP will reimburse you for the cost of repairs (parts & labour only) provided the following conditions are met:

1. You provide UCO with a letter within 30 days of the denial from the equipment manufacturer stating:
 - a) The type of repairs claimed and costs, and that they would normally be covered under warranty.
 - b) His statement that warranty has been disallowed because of the use of CO-OP oil.
2. You submit a sample of the used oil and retain the damaged parts for inspection.
3. You submit copies of bills substantiating the repair costs denied under warranty.

C. Use or addition of non CO-OP products may void this guarantee.

This guarantee does not cover the misapplication or using the incorrect oil or grease unless the product was recommended for a specific application by a CO-OP employee. In this case the guarantee will only apply when a written CO-OP lubrication recommendation signed by the employee is produced.

This guarantee is offered by United Co-operatives of Ontario through its branches and participating member CO-OPs.
