

Who got what

After two days of hearing submissions, work on deciding how much each group would get started Friday at about noon.

By the pre-determined cutoff time of 2 p.m., two-thirds of the 1980 grant requests had been decided. The remainder were to be dealt with yesterday, including those grants which have been deferred because of the massive amount of an increase asked for this year in comparison with 1979.

The following list will give the name of the group, the 1979 grants and the 1980 request and what each got (as recommended to council for approval.) An asterisk behind each granted figure indicates an eight per cent increase in 1980 over 1979.

Alcohol and Drug Addiction Program Halton: \$4,500, \$4,950, \$4,850*.

Association for the Mentally Retarded Burlington: \$19,500, \$21,000, \$21,000 (7.7 per cent increase.)
