**Renovated facilities please group**

Inclement weather and the prevalence of flu and colds brought down the attendance at the regular March meeting of Trinity UCW, but an interesting and worthwhile time was spent by those who were able to attend.

as usual during the preceding month due to the illness of the convenor, Dorothy Simmons and some of the usual workers. This group are very pleased with the

excellent renovations made to the room in which they work - the good new lights - increased storage space and new flooring.

A very pleasant social time was spent, including a detailed report of sick and shut-ins. The roll call revealed fewer hospital calls, though some members were ailing at home.

**Knox Ladies' Aid**

**Two members return after illness**

Friends, fellowship and food are good ingredients to make a happy gathering, and so it was last Tuesday when Mrs. J. Berry entertained Knox Ladies' Aid at her home on Main Street, South.

Two long-time members, Mrs. E. W. Masters and Mrs. D.S. Morrison were present after long illnesses. Two new members were welcomed. A choice variety of food was served when the

guests sat down to this pot-luck meal. Mrs. H. Murray, President, presided, and opened the meeting reading the verse "Easter Miracle".

A touch of "ole Ireland" was introduced into the program, when members told an Irish joke in respect of St. Patrick's Day, a few days past.

Making a Banner was discussed and further action will be taken shortly. The devotional part of the afternoon was taken by Mrs. H. Besley reading the Scripture and Mrs. Berry leading in prayer. In keeping with

**Storeys active 50 years**

Keeping active has been the key to the success of Clifford and Edith Storey's 50 year marriage.

Acton; Edward, Orilla, Victoria; 20 grand children and three great grandchildren.

Edith and Clifford Storey celebrated their 50th anniversary at a party Saturday at Churchill Community Church.

Acton area residents for the past 25 years, Clifford and Edith live on Bower Avenue after leaving farming 15 years ago.

The happy couple was married on April 2, 1930, in Orangeville, and were honored Saturday at an afternoon reception and family dinner at Churchill Community Church.

Mrs. Storey said keeping active has been an important ingredient in the couple being married 50 years. Indeed they have been active. Mr. Storey, 81, is a life member of the Acton Fair Board and Mrs. Storey, 83, has also been very involved in the annual Acton fair for many years.

Mrs. Storey bowls, is a member of the Greenock Women's Institute and president of the Churchill C.C.W. But, keeping active hasn't been the only factor in the success of the couple's marriage.

"Having a co-operative husband has helped," Edith chuckled, adding "We've been blessed with a good family."

The L'Arche Auxiliary held their March meeting at the home of Julie Conroy.

A report on the annual Spring Dance showed that, in spite of the weather, there was a good turnout. Spot dance winners were Beryl Bennett and Len Graham, and Virginia and Terry Bateman. Lucky draw winners were Jens Lassen and Honey George.

Plans for the Annual Flowers of Hope Campaign in May were discussed and the following have volunteered to serve as Captains: Julie Conroy, Gayle Ferguson, Verna Harrison, Christine Steen and Jennie Kuiken. Many volunteers will be needed to assist in the campaign. After the adjournment of the meeting the packaging and assembling of the flower seeds and kits began.

**CONSIDER STANSTEAD COLLEGE**

Stanstead College, a boarding school for boys and girls from grades 7 to 12 since 1872, offers a first rate academic programme to students from 12 countries and 5 Canadian Provinces who share our 620 acre campus 90 miles east and south of Montreal and at the top of U.S. 91.

Hardiness, self-reliance, and neighbourliness, the values of local residents who built and paid for this border community's first little red brick school house in 1817, are the qualities that characterize Stanstead College today.

This is a country school where intellect, hard work, athletic prowess, humour and a good heart are respected. The curriculum is aimed at university entry in the U.S.A. and Canada. The limited size of classes, individual attention and rigorous academic standards contribute to a well rounded education which goes far beyond minimum requirements. We take advantage of our location to provide a strong French language programme as well as a Spanish option. Regular evening study sessions are held, with supervision depending on each student's monthly performance. Each student is assigned a teacher as adviser to help with organization and performance, and most students stay with the same adviser throughout their stay.

For a country school with country values, Stanstead is well endowed with sophisticated equipment including a computer featuring the flexible PDP 11 configuration, a large well-equipped gymnasium, ice hockey arena, 25 metre indoor swimming pool, squash and tennis courts, running track, cross country ski trails and access to superb downhill skiing. SCHOLARSHIPS AND BURSARIES ARE AVAILABLE.

The Headmaster, Jeremy Riley, will be in Toronto at the Park Plaza Hotel from the evening of Tuesday, April 15th to the morning of April 18th. Anyone wishing an appointment with Mr. Riley should contact him at his hotel, or make arrangements with Mrs. J. Peirce, Stanstead College, Stanstead, Que., JOB 3E0, tel.: (819) 876-2702. Mr. Riley will be hosting an information meeting Thursday, April 17th at the Park Plaza Hotel Reception Room at 8:00 p.m. Interested parents and prospective students are invited to discuss application procedures and scholarship possibilities, and to learn more about the school.
