

Steelworkers cop W-W title...

(Continued from Page B1)

Soon afterwards Tom Atherton took a Dean Cote pass and converted it into the Steelworkers' third marker.

Cote later combined with Cargill to set up their mate Chris Rogers for yet a fourth goal.

Kirk McNabb tallied for the final goal of the season. He threaded a pass into New Hamburg's net from Paul Kilpatrick and Ron Robinson.

New Hamburg showed more effort in their second encounter with Acton. That match ended in a 2-2 saw off.

Cargill collected a goal and an assist in that encounter while mate Rogers accounted for the other marker. O'Niell assisted on both goals.

In the opening game of the series John Moran paced the Steelworkers with a pair of goals. O'Niell bagged another as New Hamburg went down three to one.

Atherton earned one assist while Gord Taillefer and Sean Fitzgerald managed two assists.

To get as far as the finals against New Hamburg, Acton faced up to a challenge from a team it had been winless against all season.

Orangeville went down in two games with margins of three to one for the Steelworkers. In the opening encounter Dave Haynes scored from Atherton. O'Niell bagged a pair from Cargill passes.

In the final Orangeville game the marksmen were Atherton, from Baker; Kilpatrick from Cargill and Rogers and finally O'Niell from Atherton.

Coach McGilloway remarked on the improvement the team made during the second half of the season.

Prior to engaging in W-W playoffs, the major atoms were playing well in the OMHA playdowns. They were, however, put out by Paris in the semi-finals. Acton dumped Woolwich in one series and New Hamburg in the second.

In regular season play the major atoms finished fourth in their league with a 6-9-5 record.

Coach McGilloway thanked the players for a superb season and the parents for their help with transportation.

Trio leads AHS team

Three top badminton players are leading the Acton High School contingent to today's (Wednesday) all Halton secondary school play-offs.

The trio are leading into today's action because they finished at the top during last week's Halton-East competition. Acton is sending 16 competitors.

Last week Shirley Ancker got a first in ladies singles. In the

men's doubles, John Vak and Steve Springle took the top spot.

The Acton team is coached by teacher Jane Zarowny. These competitions may lead the Acton crew to the April 16 Peel-Halton's.

Bray helps team

Mark Bray, Elizabeth Dr., helped propel the Canadian pre-Olympic team to a first place finish against Germany and the Soviet Union.

The Canadians finished with about a 50 point lead over the Germans who tallied 240 points. The Soviets managed 144 points.

Mark, who swims with the Guelph Marlin Aquatic Club, bettered his times in the 100 and 200 metre butterfly events by two or three seconds.

The events were held at Heidelberg, Germany.

Nominations wanted for Halton Hills award

Preparations are once again underway for the Halton Hills Recognition and Awards Night.

Last year three teams and 10 individuals were honored for outstanding performances by residents of Halton Hills in sports, recreation, culture, and the arts.

Several more are expected to be honored with pins and plaques at the awards night set for May 28. This year's awards dinner is to honor 1979 recipients.

Last time several possible recipients of the award were overlooked. This year to rectify the problem the recreation department has set up a committee of 11 people to scan the area for possible recipients.

The committee includes Tom Sheppard, Jennifer Linton, Peter Pomeroy, Ed Wood, Harry Levy, Pat Patterson, John McDonald, Gord Murray, Mark Clairmont, Robin Incoe, and Gretchen Day.

The criteria for the award includes provincial fame or better in an activity unrelated to livelihood, recognized by the province. The president of a provincial or national body can also be recognized or anyone who has brought fame to the town in any spectrum. Nomination forms are available to the public through any of the committee members or at the town offices. It is not always possible for everyone that has reached the qualifications to be remembered. The committee asks that anyone with any ideas on who to recognize please fill out a nomination form. Nominations close on May 2.

JOHN DOLAN

GIVES YOU A LIFT.

Weekdays at 3:00, just as Toronto traffic thickens, John Dolan slips behind the CFRB microphone to make driving home to dinner a little more informative, a little more relaxing and a lot more fun.

News and comments from Bob Heatley, views from Bill McLean, weather from Bev Cadbird, commuter traffic, race results, sports, financial comment and Henry Shannon's airborne traffic reports are punctuated with a little travelling music and John's wry observations on the passing scene. It's a radio recipe designed to get you going and keep you cooking.
