

Acton Legion house league hockey held a skating party Saturday. During breaks there were hot dogs and drinks available for skaters. Michelle Pilgrim, who will be four-years-old tomorrow, waits while her father Ken puts the fixings on a hot dog.

Mayor's race again

Preparations are underway for the second annual Halton Hills Mayor's Road Race on June 8. This year, the race will take in the industrial park behind Gordon Alcott Arena and may be run at two distances. A five kilometre race open only local residents and a 10 kilometre run that may entice some top class runners along with Georgetown's best are in the works. Mayor Pete Pomeroy did not make the jump last year but assured the press he would take part this time around. "You can count on it," says the Mayor, "I'll be running."

Brookville advances

Brookville Saints eliminated Carlisle Central Wings with two consecutive wins after three draws to advance to the final round in Carlisle Hockey League playoff action. Brookville combined back-to-back wins of 4-2 Wednesday and 5-0 Friday to take the series.

Spring is sprung. The nets are rizz... and the Acton Tennis Club has here we go into a brand new tennis season with lots of goodies in store for everyone. Last Tuesday Peter Marks and his eager beaver executive started things rolling by getting their heads together and coming up with the following decisions:
1. he nets will be up for Easter—they were, —so dust off those racquets, check the bounce of those old balls and get down there!
2. Good news—the fees are unchanged from last year—Junior \$5, Senior \$18, Couple \$30, and Family \$35.
3. A registration session will be held at the Acton Community Centre (Arena) on Saturday morning, May 10, from 10.00 a.m. to noon—watch this paper for further notices and reminders.
4. Lessons are planned, for beginners and for intermediates (those who can occasionally hit the ball over the net), arrangements to be finalized shortly.
5. The windscreens are being improved and should be in place soon.
6. Junior-round robins are planned for the sch-

CONSIDER STANSTEAD COLLEGE

Stanstead College, a boarding school for boys and girls from grades 7 to 12 since 1872, offers a first rate academic programme to students from 12 countries and 5 Canadian Provinces who share our 420-acre campus 90 miles east and south of Montreal and at the top of U.S. 91. Hardiness, self-reliance, and neighbourliness, the values of local residents who built and paid for this border community's first little red brick school house in 1817, are the qualities that characterize Stanstead College today. This is a country school where intellect, hard work, athletic prowess, humour and a good heart are respected. The curriculum is aimed at university entry in the U.S.A. and Canada. The limited size of classes, individual attention and rigorous academic standards contribute to a well-rounded education which goes far beyond minimum requirements. We take advantage of our location to provide a strong French language programme as well as a Spanish option. Regular evening study sessions are held, with supervision depending on each student's monthly performance. Each student is assigned a teacher as adviser to help with organization and performance, and most students stay with the same adviser throughout their stay. For a country school with country values, Stanstead is well endowed with sophisticated equipment including a computer featuring the flexible PDP 11 configuration, a large well-equipped gymnasium, ice hockey arena, 25 metre indoor swimming pool, squash and tennis courts, running track, cross country ski trails and access to superb downhill skiing. SCHOLARSHIPS AND BURSARIES ARE AVAILABLE. The Headmaster, Jeremy Riley, will be in Toronto at the Park Plaza Hotel from the evening of Tuesday, April 15th to the morning of April 18th. Anyone wishing an appointment with Mr. Riley should contact him at his hotel, or make arrangements with Mrs. J. Pearce, Stanstead College, Stanstead, Que., J0B 3E0, tel. (819) 876-2702. Mr. Riley will be hosting an information meeting Thursday, April 17th at the Park Plaza Hotel Reception Room at 8:00 p.m. Interested parents and prospective students are invited to discuss application procedures and scholarship possibilities, and to learn more about the school.

That's what The Toronto Symphony offers you when you subscribe to the 1980/81 Season.

100 thrilling performances of 47 different programmes in 23 carefully selected series featuring the greatest music from the classics and pops, played with the rich sound of the full symphony orchestra.

As always we've arranged for the prime choice of conductors, and guest artists from around the world to bring their own vibrant qualities to each concert.

Choice Values!
are yours too when you subscribe. SAVE UP TO 33% over regular single ticket prices! THAT'S THE EQUIVALENT OF 4 FREE CONCERTS IN A 12 CONCERT SERIES!

Choice Seats!
You'll also have your own subscriber seats for every concert performance, and each year you'll have first opportunity to renew those seats for the next season. That's especially important as we get closer to the opening of our beautiful new hall in 1982, since current subscribers will be given first priority to renew their seats in the new hall.

First Choice!
As a subscriber you'll also receive advance notice of special non-subscription concerts so you'll be able to get first choice of seats. If you missed Pavarotti, the Messiah or The Peking Opera because you couldn't get tickets you'll understand what a great added bonus this is.

The coming season marks the end of another decade of performances by the Toronto Symphony — 59 successive years of providing for the musical needs of our community. "Music, perhaps more than any other art, is a constant voyage of discovery. Won't you join us for a first class voyage into the 80's?"

How to get the Best Possible Seats!
Series C and Series G, besides offering a stimulating variety of high-quality programmes, have one important advantage for the first-time subscriber. They are new. Series G was introduced in 1978 and Series C just last season. This means that they are not yet as fully subscribed as the other longer-established series, and good to excellent seats are available immediately. They are both short series and can easily be combined to give you a full 8 concert series for as little as \$44.00 (only \$24.00 for students!).
