Council - Region staff relations unhealthy

Public Works Director Bob Moore is concerned Regional Councillors are adopting an adversary posture to his staff. In a report on the 1979 Status of Corporate Goals and Departmental Activity Reports, he states the attitude between Regional Councillors and staff is not healthy. "Regional staff continue to have the feeling that council considers them after they consider local staff. "This is not a healthy situation and will take a concerted effort on the part of all to change." Mr. Moore said "staff is not in an adversary position between council and the public, but on occasion, particularly in one-on-one situations, this misinterpretation appears."

Limehouse Fox in village rabies reminder

by Mrs. A.W. Benton Mr. and Mrs. W.J. Crichton were guests at the Morrison-Wright wedding in Islington United Church on April 12 and the reception following at the Markland Country Club. The bride, Shirley Wright, lived here for many years and received her education here. Jack Noble has been taking it easy the past week after having a cyst removed from his hand. A fox has been seen several times in the village. It reminds us they are around and we should think of rabies. by Mrs. F. Hannah Group Committee Limehouse Group Committee held a meeting at the home of Anne and Ralph Hollis, 5th Line. Only seven people were present but much was accomplished. Final plans were made for the hike and craft sale, held the following Saturday and termed successful, especially with baking. Beaver mothers have made a quilt and tickets have been distributed to all Scouting parents in Limehouse. A report was made on the Father and Son banquet to be held on May. The annual meeting of the group committee will be held at the same time. The Beavers had fun recently when they held a movie night. Cubs and Scouts have been out collecting pledges for their annual Trees for Canada campaign. This year they will be planting trees near Caledon. It is hoped Cub parents will help with tree planting and Beaver and Scout parents will help with the paper drive.

No comment on store hours

Halton Hills residents don't seem to mind a bit stores setting their own hours. Last month council decided store closing hour by-laws in both Acton and Georgetown should be scrapped. However it was decided to advertise the plan first, inviting comments from the public. A staff report recently revealed the town received no comments, so council can be expected to pass a by-law soon rescinding the previous regulations.

Rape in Glen area

Halton and Peel Regional Police have arrested three men in connection with the rape of two Mississauga girls just north of Glen Williams. The trio from Mississauga, Brampton and Georgetown have been charged with two counts each of rape and gross indecency after they picked up the girls, aged 15 and 16, at the Square One Shopping Centre, Mississauga, and drove them to a quarry location on the Ninth Line, 27 Sideroad. The girls were then driven back to Mississauga.

Man assaults police

A 19-year-old Acton man has been charged with assaulting police following an incident involving Halton Region Police Constable Commander early Sunday morning in Acton.

The school beat

playground, but the kids usually wind up marking out their own. The school operetta is being presented tonight and tomorrow night at Acton High School. Dress rehearsals were held on Monday and Tuesday. Everyone at the school hopes that you will be there. Friday a survey was sent out to all parents in the school area. The survey is confidential, and asks for suggestions to make the school even better.

Acton High

by Janet Rowe With April being the Cancer month Acton High students participated by purchasing daffodils and also those who smoked gave up smoking for a day. This Friday the Acton High film club will once again present a movie to the public for the low cost of \$2 without a student card or \$1.50 with a card, you will be able to watch the popular Walt Disney movie Casey's Shadow. This is a family movie. Senior students are very busy cracking the books since exams are just around the corner. May 1 to 6 are the dates to keep in mind.

McKenzie - Smith

by Pam Dubrosky and Ulla Dueser On April 18 McKenzie-Smith held their annual Science Fair. There were over 70 exhibits entered and the winners were: first "Recycling Paper" by Brenda Loewen and Jean Swift, second "Solar heated pool" by Leah Marks, and third "Canal Locks" by Richard Kilpatrick and Darren Edmundson. This Friday is a holiday for the students of McKenzie-Smith but not for the teachers since it is a P.D. day.
