Canada
So much to go for

VIA gives you a chance to get to know Canada. Close-up. Because in any of VIA's comfortable trains you travel *through the countryside* instead of *skimming over it*. A VIA vacation gives you time to sit back and enjoy *getting to where you're going*. With VIA, the train takes the strain. Not you. You can walk around. Chat. Stretch your legs. Meet people. Or you can sit in peace and privacy. It's up to you. The train is your hotel-on-wheels, with everything you want... meals, bars, lounges... right there. Via has got together with the Canadian Government Office of Tourism to bring you great package tours at super-economical prices.
