COST-CUTTER COUPONS. AIR CANADA'S WAY TO GET CARS AND HOTEL ROOMS AT GREAT DISCOUNTS.

Freedom to go where you please. When you please. Unstructured days. These things are really important to a lot of Canadian vacationers. All they need is a road map, a car and a guaranteed good hotel at night. Which is why we've made arrangements with such respected names as Budget, CN, Hilton and Holiday Inn.

By simply showing your Charter Class Canada ticket and your Cost-Cutter coupon together, you can get **\$25 off the lowest weekly rate on any Budget Rent a Car at any location in Canada.** And to fit in with the itinerary you plan yourself, your Cost-Cutter coupon and C.C.C. ticket entitle you to substantial discounts at over 70 fine hotels across Canada.

Economy rooms, for example, for double occupancy of \$35 a night, 1st class \$40, Superior \$45, and Deluxe \$50 a night. And to add to the value, children, regardless of age, stay free when sharing their parents' room.

Because we really want you to take a Canadian vacation this year, your Cost-Cutter coupons are free with every Air Canada Charter Class Canada ticket you buy for trips over 640 kilometers. Ask your Travel Agent or us for details.
