The Big Mac luxury coach bus owned by McDonald's Restaurants was in the village on Tuesday to pick up the Friendly Seniors. They were given a tour of Niagara Falls, The Maple Leaf Village and treated to a free meal at a McDonald's Restaurant in St. Catharines. By all reports, it was a very enjoyable outing.

A joint congregational meeting of Rockwood and Eden Mills churches was held last Sunday in the local church. Rev. Norman Young interim moderator chaired the meeting and members and adherents voted on the terms of a call to Rev. Carrie Doehring.

Anniversary Sunday at the Presbyterian Church is set for May 25 with worship to be led by Rev. Robert Hyde, who is minister of Barrie Hill and Speedside United Churches.

### Choir at Oliver

by J. Turner  
The young people of Churchill Community Church Choir and a number of their parents enjoyed a musical treat recently, when they went to Port Credit to attend the stage production of "Oliver" performed by the Clarkson Music Society and the Oakville Symphony Orchestra. C. S. Denny Bus Lines donated transportation. A number of neighbours and friends attended a bridal shower for Doreen Johnston last Saturday evening at the home of Mrs. Barbara Walker, First Line. The daughter of Mr. and Mrs. Elwood Johnston, Doreen is soon to be married to Danny Saint, son of Mr. and Mrs. Murray Saint, Third Line.

Friends in the community are sorry to hear that Mr. Frank Freeman has been ill and spent eighteen days in hospital with a circulatory problem. He has been back home a while now, and getting up and about, and we all wish him a speedy and complete recovery.

## Eden Mills road names

Eden Mills village trustees will have a say in the naming of streets in the new subdivision. The developer's consultants, Gamsby and Mannerow, came up with the following suggestions: the main road, Lowrie Lane, Wilson Drive for the road between lots three and four, and either Stevenson Street or Park Street for the road between lots seven and eight.

## Road job awarded

Cox Construction Limited, Guelph, successfully bid on a 1.9-mile long road reconstruction job on the road north of Bruceville. Eramosa Township Council awarded the tender for the amount of \$219,784.70. Five other companies gave a higher price. The township pays 25 per cent of the price. ## Limehouse

### Old snapshots exchanged to identify W.I. members

from Mrs. A.W. Benton  
Limehouse W.I. met at Limehouse Memorial Hall Thursday evening with 12 attending. President Mrs. Anderson read "Just walk beside me and be my friend" and members sang "The more we

get together." Each member turned in a snapshot of herself at school age for identification by the others. Some have changed over the years. Baking was requested by residents at the Manor

for a sale on May 14 to raise funds for craft work. Scouter Mrs. Hannah reported the boys busy recently. Fifteen boys passed the first aid course and 26 shopping bags of garbage had been collected along 22 Side-

road. On weekends the boys have been earning a large sum by clearing an estate in Erin to provide funds for the trip to the Canadian Jamboree in Alberta in 1981.

Mrs. Hannah explained Trees for Canada program when area Cubs planted 8,000 trees. Brownies were well pleased with the response to the glass and newspaper collections a couple of weeks ago and the Guides sold cookies a week ago.

The president and secretary received invitations to attend the father and son banquet May 12.

Mesdames Booth, Cannon and Hannah were appointed delegates to the District annual May 15. Plans were made for catering lunches at an upcoming auction sale on May 21. Canada Day was discussed and Mrs. Moulden will again convene the events.

Convener of Cultural Activities, Mrs. A.J. Benton, gave a lengthy list of answers to questions in 'Law' including choosing of jurors, their duties, etc., our duties to vote, pay taxes, give aid if requested to police or firefighters, to stop if first at an accident, but this requires caution and we have the right to a fair trial, and to move and speak freely. She also warned of safeguards when shopping and accurate labelling of products and advised contacting Better Business Bureau at 555 Yonge St., Toronto with complaints.

## Ospringle

### May moving month

by Doris Fines  
May is moving month around Ospringle, as people pack up and leave to establish themselves in new surroundings. Mr. and Mrs. Gordon Howes moved into their new home in Guelph on Thursday. Their leaving of the community is sadly regretted, especially by their close neighbors, as they were always friends. We wish them well in their new home.

Mr. and Mrs. Sam Nyholt and family also left their home on highway 24 on Thursday, where they have lived for some time. Mr. and Mrs. W.W. Burkart of the First Line, have moved to Caledon, and Mr. and Mrs. Buchanan of Toronto are now living in the Burkart home.

The Ospringle Brownies have been practicing their good deeds. They have been helping each week to deliver Meals on Wheels in Acton. Mrs. Helen Dubeau drove them around. Mr. and Mrs. Steven A. Craig, and Matthew David of London, spent Sunday with Steven's grandparents Mr. and Mrs. H.R. Howard. Other visitors were Mr. and Mrs. James Smith of Grimsby.

Mrs. Thomas Fines and Doris were dinner guests on Tuesday with Mr. and Mrs. Stewart Montgomery of Ferguson. The Age of Non-Reason will be shown in the seventh film strip at Knox Church on Sunday evening. In a review of modern philosophy and theology, Dr. Shaeffer illustrates man's attempted escape from reason into non-reason and his abandoning of the truth.

The Ospringle Brownies Mother and Daughter banquet Thursday evening, which was to be held at Ospringle, had to be rescheduled to Mimosa church because of the renovating being done at Ospringle church. However, it was a grand turnout, and a delicious meal, made more pleasant by
