The Acton Tennis Club has rapidly increased in membership size over the past few years of operation. Our club takes pride in its friendly atmosphere and would like to encourage any potential players to come out and give it a try.

Membership registration will take place Saturday, May 10 at the Acton Community Centre from 10 a.m. to noon. Any questions regarding the running of the club will gladly be answered.

Hydro workers were down at the courts Friday afternoon, so for all you night hawks that like moonlight tennis, the lights are now working.

The lights are operational at dusk and sound off every 30 minutes. That means the courts must be cleared to allow other members a chance to play. If there are

others waiting to use the court, it is requested people play doubles.

Past members should be receiving the 1980 newsletter which contains all the important dates of tournaments and activities for the new season in the mail later this week.

Also to be included is a membership form and court rates. New members can pick these up at the time of registration.

Practices for the 1980 mixed intercounty team will start this Thursday at 7 p.m. and Sunday at 8 a.m.

The ladies inter-county teams will start practices Tuesday May 6, at 9 a.m.

Attendance is compulsory for those who wish to play on either team.

Trophy winners of the Ridley-Walker Closing Bopspiel held at the Curling Club last month are Carl Brundie, Jackie Blow, Elmer Lucas and Donna Neely. Randy Ridley presented the Ridley trophy.

Other members of the organizing committee include Bill Ward, Trevor Moores, Peter Maher, Don Fendley, Alex Tough, Ralph Fletcher, Bruce Cargill, Gary DeBruyn, Kerwin McPhail, Harold Townsley and Kim Turnbull.

## You have a lot in common with these people.

Your Public Library. They use it too. It's the place where questions—all kinds of questions—get answered. What's the best way to insulate your home? How can you learn another language? Who scored the overtime goal that won the Cup for the Leafs in '64?

What's more, there is more. Records, films, pictures, magazines and newspapers, reference, learning—and of course books. All at your Public Library, the meeting ground between you and the people with the answers. Discover us!

## Sign for minor lacrosse

Registration for minor lacrosse will take place this Saturday, May 10, from 12 to 2 p.m. at the Acton arena.

Organizer Bob Turkosz said he hoped to field two house league teams at the bantam and peewee level and choose an all-star team from that for exhibition games.

### Jr. A loop

A decision on a proposed second Tier Two Junior A loop in this area is expected to be reached in the next couple of weeks.

Interest in a second league on the same level as the Toronto-area Provincial Jr. A League is still high with several centres.

## OPTIMIST CLUB RESPECT FOR LAW PROGRAM

In an attempt to combat the atmosphere of lawlessness, that appears to be spreading from community to community at an alarming rate, and to bridge the gap of misunderstanding which exists between law enforcement agencies and citizens, members of the Optimist Club of Acton in conjunction with Optimist International will sponsor a Respect for Law program in the Halton Hills area.

The basic goals of the program are to:

1. Combat public apathy and indifference towards crime and criminals and reinforce proper respect for and moral responsibility under the law.
2. Encourage, promote and recognize the participation of the public in the dispensation of justice, through service as witnesses and on juries, and co-operation with law enforcement officers in the discharge of their duties.
3. Better acquaint the public with the duties, responsibilities and needs of law enforcement officers and to recognize and honor unusual, outstanding services rendered by citizens, including law enforcement officers.

President Dave Henderson stated that the program will attempt to make citizens aware of their responsibilities and solicit their involvement in combating crime. The club will utilize various means of accomplishing the program's objectives.

President Dave Henderson asks all citizens to join with the Optimist Club in the observance. "Good law enforcement cannot be the responsibility of police officers alone. Your help is needed."
