## Rockwood DIGEST

Over 1,200 paying spectators watched the Rockwood and District Lions fireworks display Monday night, Victoria Day, at the Rockmosa Community Centre.

Despite thunder clouds and a very rainy weekend, the sun broke through long enough to promise fine weather for the event which had to be postponed from the rainy Sunday date planned.

Explosions, cascades and bangs went on for a full 35 minutes starting at 9:30 p.m. When it was all over \$1,200 worth of fireworks were in the garbage.

The display drew ooh's and aah's from the audience as small children enjoyed the traditional Victoria Day festivities. Most Rockwood dogs had hysterics.

Lionettes served snacks. Six Lions worked as explosive experts, four handled the gates and two more travelled among cars parked outside the gates collecting charitable donations.

After the fun, cars dispersed in an orderly fashion according to one Lion member who stayed behind to help clean up the hotdogs "so they wouldn't go moldy."

Rockwood Cooperative Nursery School is having a registration night tonight, May 21 at the Rockwood Town Hall between the hours of 7:30 and 9:00 p.m. Everyone who wishes to have a child registered for the 1980-81 school year is asked to attend.

Pioneer Days are catching. It looks like Eden Mills is having a similar celebration to Rockwoods on the weekend of June 27 commencing with a Friday night old time dance at the Community Hall for participants wearing old tyme costumes.

Saturday the 28th will see a baking contest, Calithumpion parade, hamburgers, little people talent hour, and sing-a-long.

Festivities continue into Sunday with an outdoor church service, horseshoes, and a family pot luck supper.

The Rockwood Tennis Club will hold it's first event of the season, a round robin, on Sunday May 25 at 1 p.m. followed by a barbeque.

Tickets for the Tennis Club dance held June 14 at the Rockmosa Community Centre run in conjunction with Pioneer Days are available from Candy Armstrong.

The Rockwood Home and School Association will be planting a memorial flowering tree at Rockwood Centennial School on Friday May 23 at 3 p.m. in memory of Bob Gordon, school custodian who passed away last November.

Please call Jennifer Barr at 853-2010 (days) or 856-9096 (evenings) with Rockwood News - or write Box 27, Rockwood.

### Presbyterian Church anniversary Sunday

by Mrs. W. McDougall  
Oops!! there must have been a gremlin in a Free Press typewriter last week as that was a 25 year pin that Mrs. Rinehart proudly received from the Order of the Eastern Star, and not a

W5 pin as printed in last weeks column. Speedy get well wishes are extended to Mrs. Mary MacDonald who is now home from Guelph General Hospital, recuperating from a badly broken leg as a result of a fall in the attic of her home.

Visitors are welcome to attend the Anniversary church service at the Presbyterian church on Sunday, May 25 at 11 a.m.

Clean-up at the mill pond is scheduled for Saturday, May 24. Many hands make light work, so come out if you can and help.

The Friendly Seniors gathered in their room at the hall on Wednesday afternoon for their bi-monthly meeting with a good attendance. There was not much business to discuss so friendly euehre was enjoyed. Mrs. William McLean was celebrating her 75th birthday the following

### Bruce in car rally

by Doris Flies  
Bradley Bruce was in Toronto attending the National finals of the Young Drivers of Canada. Bradley was the driver and Lee Schnider was navigator. They stayed at the Royal York for the weekend, and the run-off was Sunday at Ontario Place. The rally is a two hour test of safe driving and vehicle control. They were competing against 19 other drivers from across Canada. They didn't win, but it was a good experience. Brad and Lee won the Guelph Region trophy for the Guelph area on April 27. There were 19 drivers in that one also. The run-off will be shown on Wide World of Sports, CRV, on June 7. The boys' car number is 20.

and Mrs. Byron Bruce were guests on Mother's day with their son and daughter-in-law Robert and Susan Bruce, David and Neil at Burlington. Beverly and Jim Wilkins of Woodstock were also there. Brenda was home from Oshawa for part of the week-end.

Sympathy is extended to Mr. and Mrs. George Lang, in the death of George's sister Elizabeth (Mrs. Samuel Stone) of Guelph. Funeral services were held Thursday in Guelph.

The Age of Personal Peace and Affluence, is what the film is all about next Sunday evening at Knox church. It deals with a look at the youth of the 60s and their escape into drugs, occult and the New Left. In the 70s the trend changes to apathy, and they join their parents and accept the horrendous values of personal peace and affluence.

Mrs. Knechtel, of Acton, was a guest at the Ospringle Ladies' Aid May meeting, at the home of Mrs. Ward Bruce. She showed her beautiful pictures to the enraptured ladies.

The president, Mrs. Ward Bruce, presided for the meeting, with an opening verse on sharing things and consideration of others. Mrs. Byron Bruce took charge of the Devotional.

### Church 142 years old

by J. Turner  
Preparations are proceeding for the celebration next Sunday of Anniversary services at Churchill Community Church. The choir is preparing special music and the church orchestra will be in attendance.

Churchill Congregational Church was founded 142 years ago under the leadership of the Rev. Hiram Denny. We believe it to be the oldest (church) building in this part of the country to have been used continually as a place of worship. Churchill joined with the United Church of Canada in 1925 and in 1968 became an independent Community church. Rev. Emrys Jenkins has been the minister since last December, and will be the preacher at both the 11.00 a.m. and the 7.30 p.m. services. He is an excellent speaker, and all

are welcome to come and hear him, and to join with the congregation on this special occasion.

Churchill CCW held their May meeting at the home of Mrs. Irene Swackhamer. President Mrs. Edith Storey was in charge of the meeting.

Joanne Turner led in devotions, using as a theme "One Day at a Time."
